Beyond Our Wildest Blue Dreams!!!

We never would've thought Barringer High School could ever reach beyond the expectations of the people who assume we aren't capable of reaching for our dreams. All those doubts may have clouded a few minds, but we proved those who looked down upon us wrong. That alone was an absolute accomplishment.

Only in Barringer can a student realize what it's like to be in a school that's for real. These years in Barringer bring everyone together, not just as a class, but also as a community. We will someday reminisce about all the wild adventures we shared and experienced as students.

"Resist all that tries to hold you back and shove right through to success." Johanna Castillo

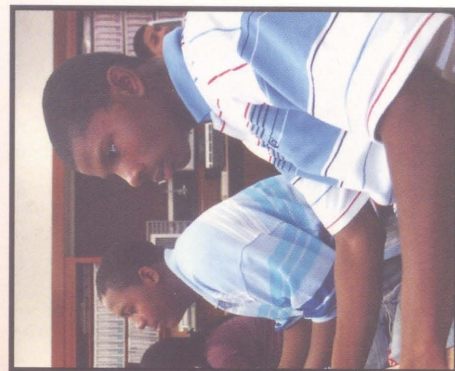

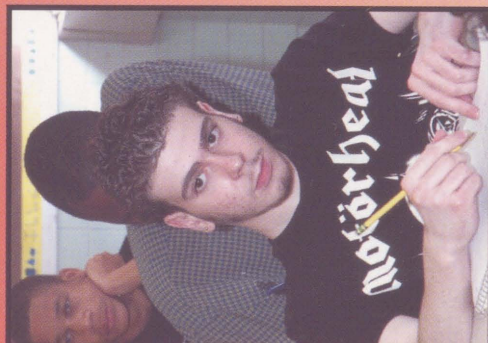

*"Be prepared for the unthinkable."
Erica Brinson*

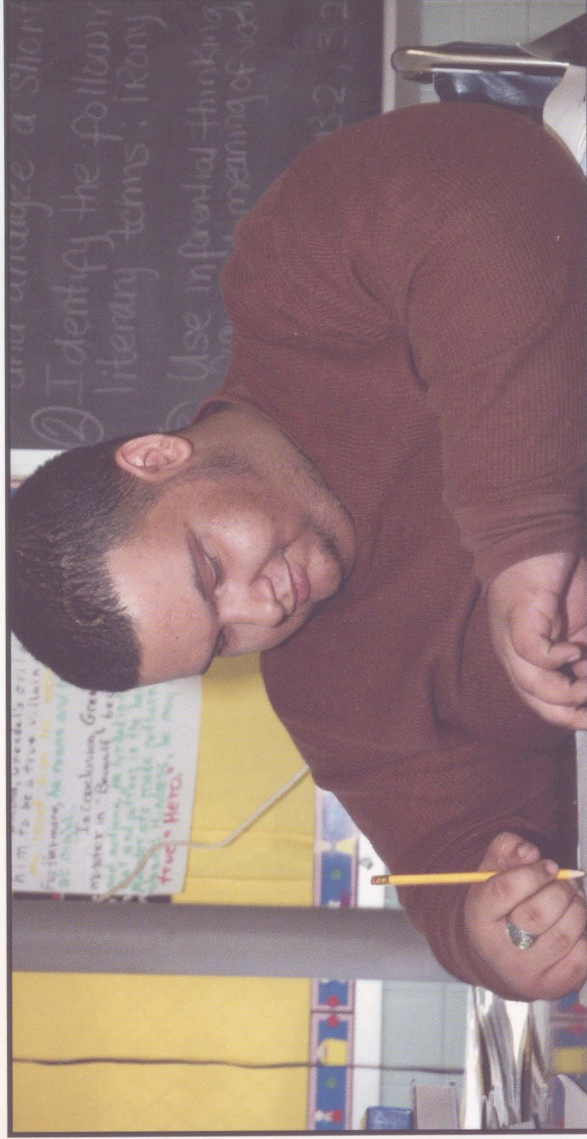

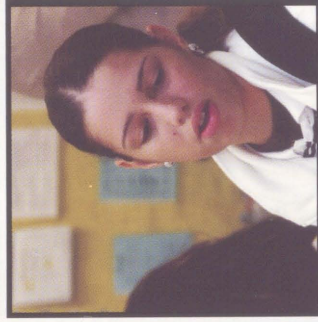

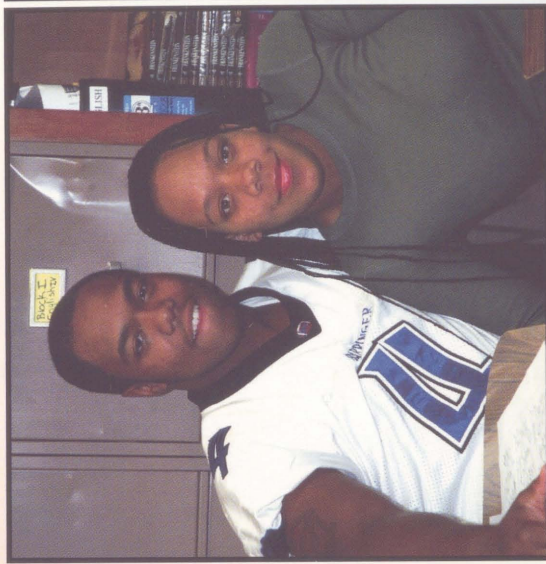

"Beyond our wildest blue dreams is getting the recognition that you made it and that you finally achieved your goals."
Julian Emele

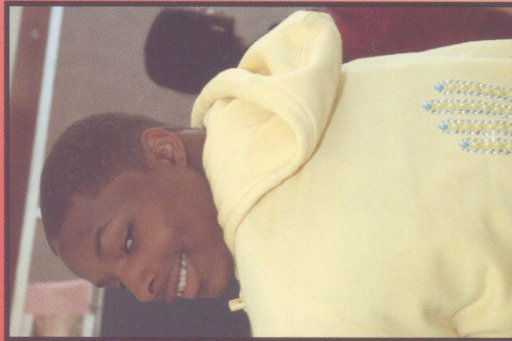

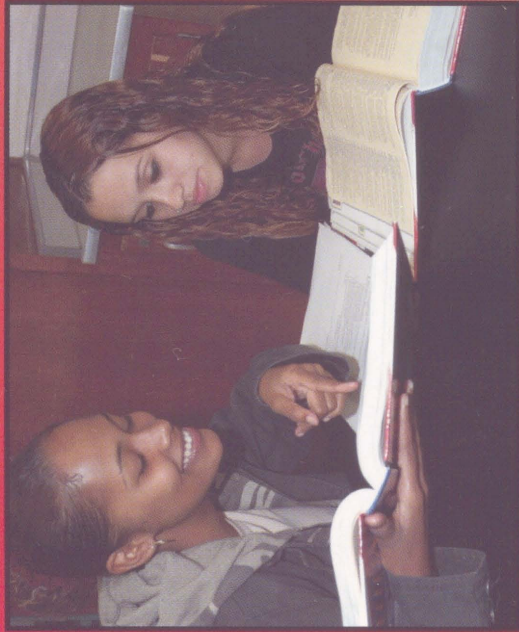

"Beyond our wildest blue dreams is the struggle of coming up through the years and finally graduating and accomplishing your dreams and goals." Anonymous

Beyond Our Wildest Blue Dreams summarizes what we students can achieve and are more than capable of doing. The students of Barringer High School are like an army, with the upright brightness, loudness, vividness, and pungency. We are a school of durability that absorbs all that we can in order to reach the highest point in life. But to reach that would be a lot more difficult if not for the teachers whom helped guide us and stretched our limitations even further. In our last year of high school, we seniors did all we could to finish preparing for the bigger part, but you see we won't be leaving Barringer empty handed. Our minds will be cunning, our skills and talents will be forthcoming with the inherent capacity to manifest and endure all the opportunities that there will be further along in the future.

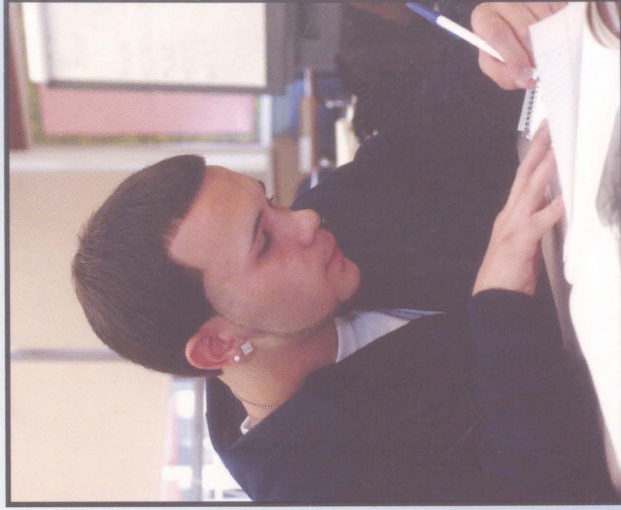

"Beyond our wildest blue dreams symbolizes, beyond the dream, beyond your imagination, it means the actual physical things you put into your dreams." Jasmine Stephenson

Beyond Our Wildest Blue Dreams is the intense hope that our ideas will one day over whelm and help mold the future to come. We will become an inspiration to those who lack creativity or a spark in the imagination.

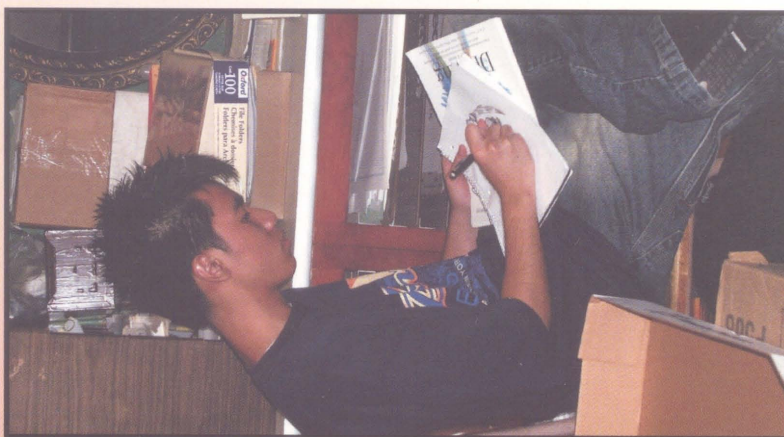

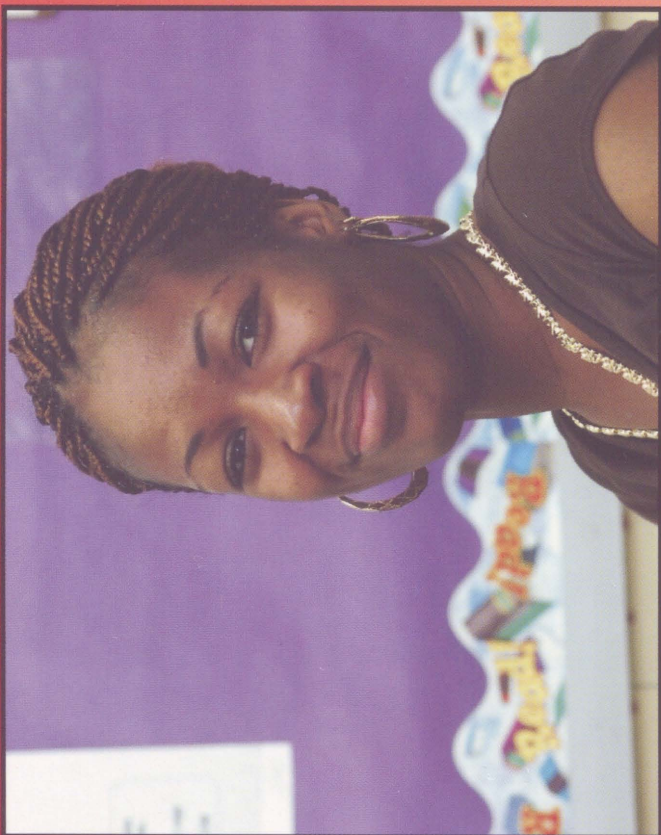

We will kindle the hearts of those who are without passion and hope. We will encourage those who have been doubted and denied. All this will be an accomplishment that was once Beyond Our Wildest Blue Dreams. Barringer High School will not only graduate seniors, but students who will thrive and forever reach for the sky!

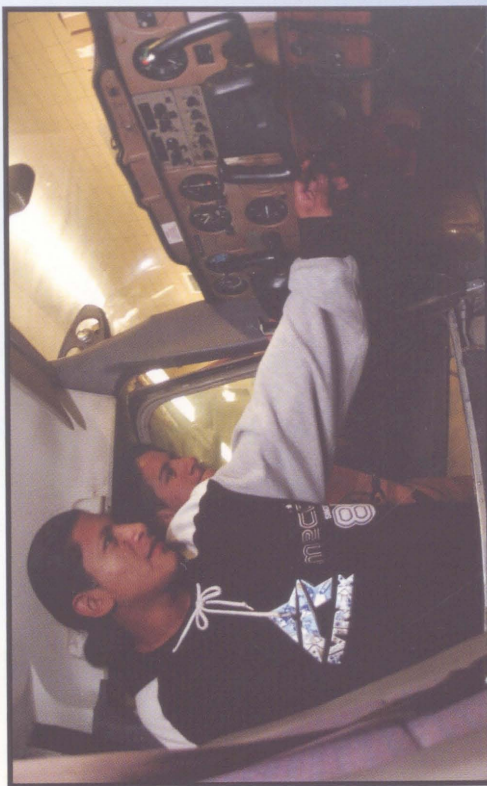

"There will be a lot to face in the future. We may not see them coming, but they are ahead."
Relecia Tudor

*"Going to school and simply dreaming will get you nowhere, only when you thrive for it, will it become a reality."
Johanna Castillo*

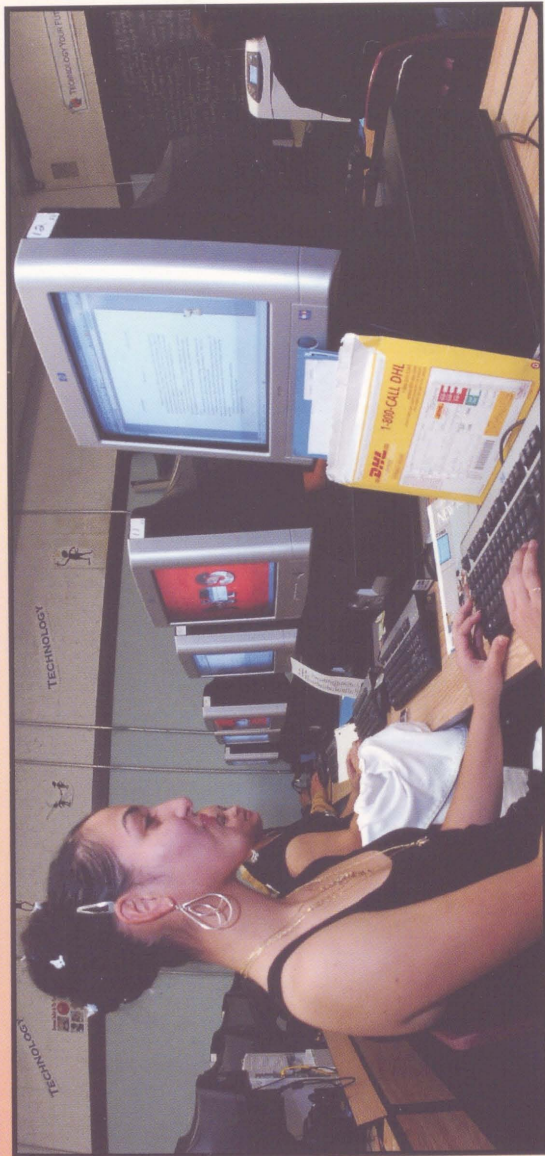

Beyond Our Wildest Blue Dreams is about all the occurrences that we have dealt with and about the experiences yet to come after graduation. It's about all the hardships that each and every individual has had to endure. It's about each student exceeding their limitations just to prove that they can. All of this will stay in the hearts of Barringer High School students from now and beyond. When our names were called to receive our diploma, we stood boldly before all and showed off all that we had accomplished in high school, proudly. But that will only be the beginning of what is yet to come.

*"Follow your plan of your future
life and achieve it."*

Jonathon Mejia

*"A place where we met people who we
would never see again. Then again
we will still be Barringer no matter
where we are & what we are!! Blue
bear pride!!" Leyda Arnaud*

Beyond our Wildest Blue Dreams are those trains of thoughts and images that passed through our minds when we sat at our desks as our teachers helped us educate ourselves.

Beyond our Wildest Blue Dreams are those visionary ideas and anticipations that we possessed when the end of high school was so far away.

Through the years of high school we enhanced and considered those dreams for our future. It is time to put the plan into action and work to make those dreams become a reality. Now more than ever we are demonstrating our resolve and determination.

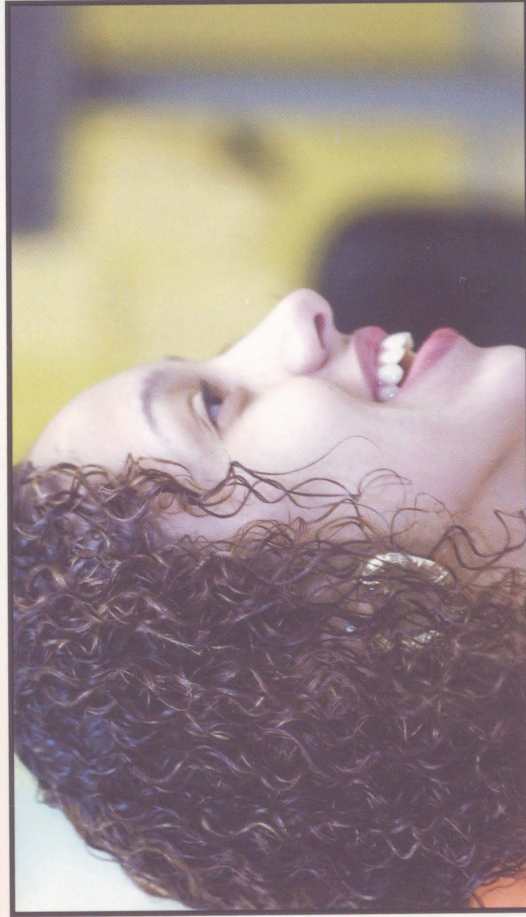

Let your motivation be your guide to that last step and over. With the support of those we know are there and care, there is no reason for us to back away. All of that which we thought to be impossible has become possible - and more. Everything is now within our grasp, all we have to do is take it!

"Don't pay attention to what people say. If you want something bad go for it, You make a difference."
Celimar Landrau

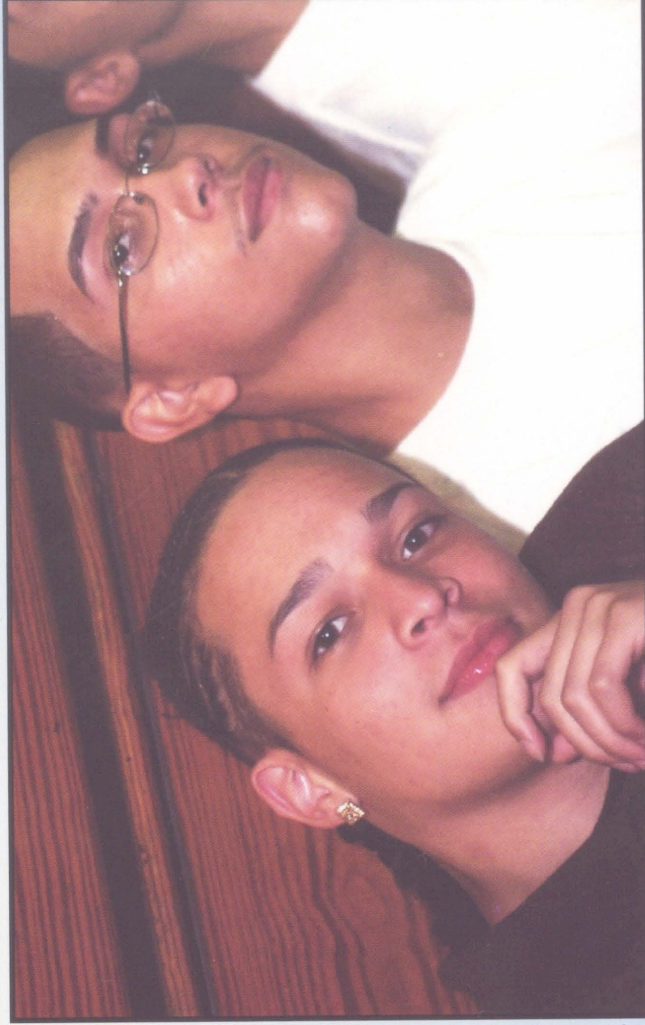

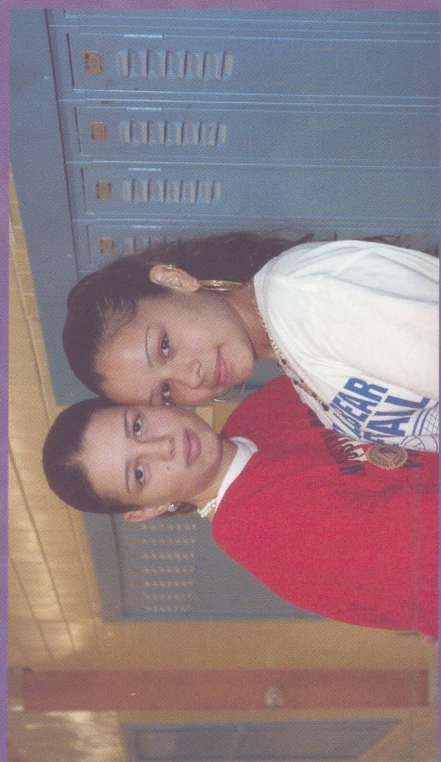

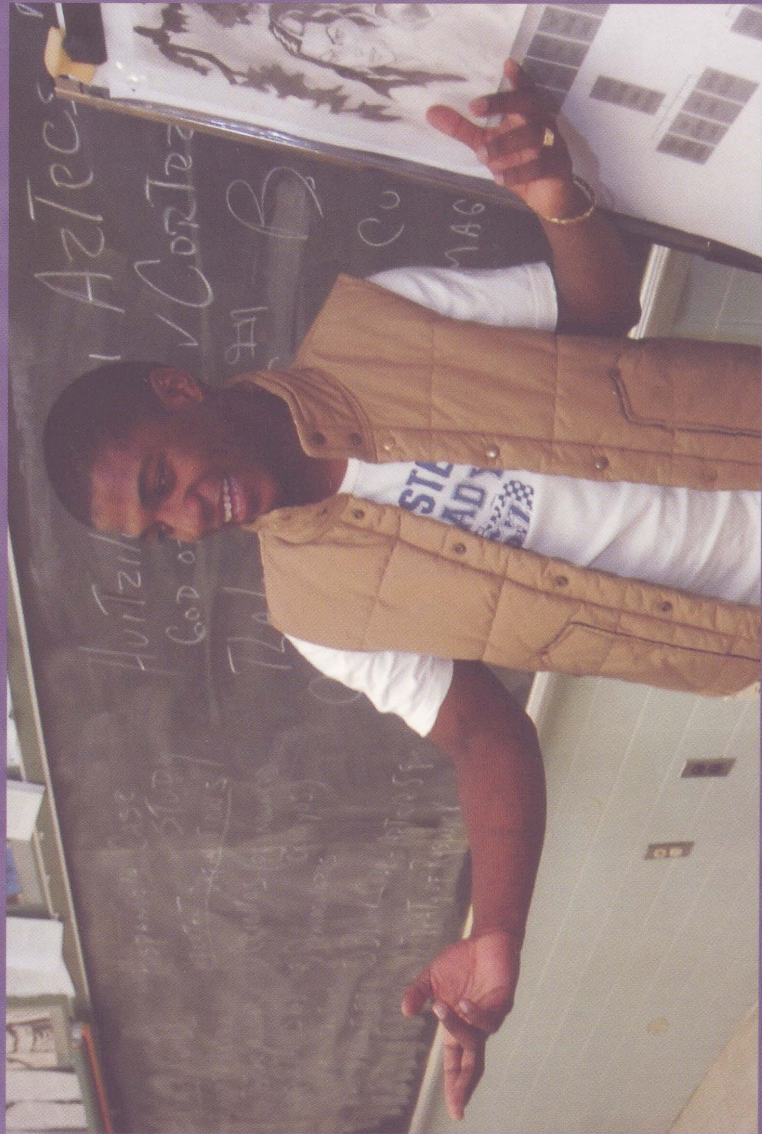

"Burringer is a school that carries the strength of the bear." Adriana Carrasquillo

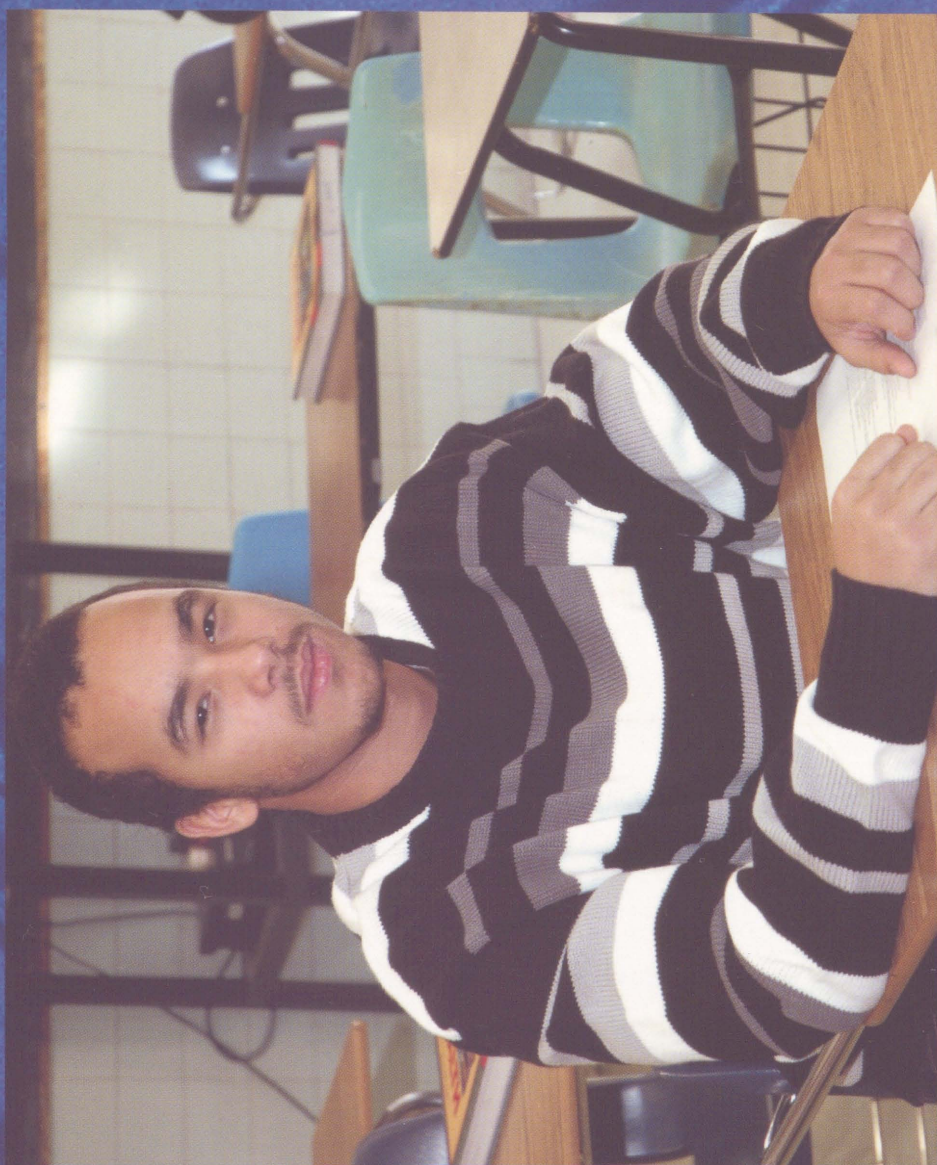

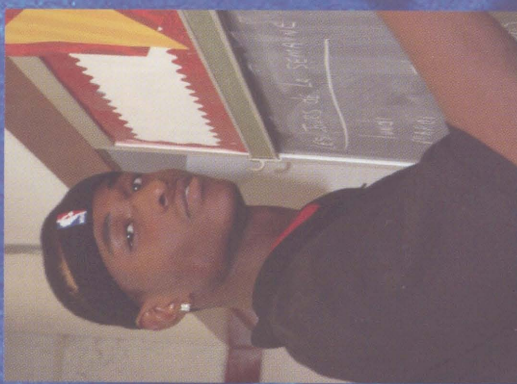

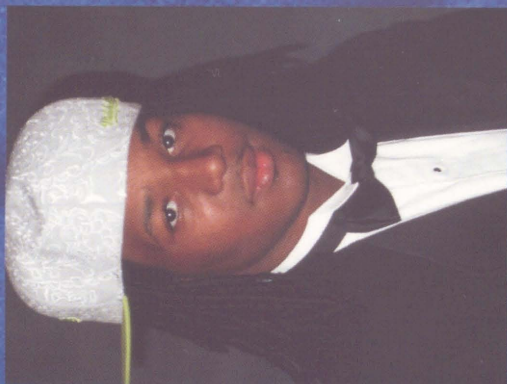

*"A dream is just that, a dream. What makes it a possibility is what you put into it."
Jasmine Stephenson*

FACULTY

PRINCIPAL

A D M I N I S T R A T I O N

Congratulations, graduating class of 2007. Thank you for playing such a vital role in the rebirth of Barringer High School. Thanks to many of you. BLUE BEAR PRIDE IS BACK! I have been honored serving you, the newest members of our adult community, and will continue to make Barringer High School a safe and orderly learning environment for everyone. Seniors, I hold a clear vision of success for your future and have established high expectations for all of you. I am committed to assisting you in your transition to colleges, universities, vocational institutions, and the workforce. I am not only your principal but also a dedicated and concerned community member working for the betterment of our youth and the future of Newark. It is my obligation and responsibility to help you become the future leaders of this society. I, along with my teachers and staff, have nurtured and guided you. As products of our guidance, we are depending on you to make the difference in what has become the Rebirth of Barringer and our community.

A famous African proverb reminds us, "It takes a village to raise a child." Seniors, although you will always exist as our offspring, it is your turn, now, as you venture into our community 'village'. To assist the youth around you who are coming up to join you shortly. Pass on the wisdom you have gained and guide others as they work toward a successful future.

Students, it is your birth given right to take your place as the torchbearers of the future and the baton holders of humanity. I would like you to continue to learn the skills and strategies that are required to make just fair decisions that will impact, change, and further benefit your life. As young adults, you have a responsibility to your future and future of Newark. Be aware of the social and political issues within you and works outwardly. Take pride in yourselves and believe that by taking a stand and believing in yourselves, you can achieve any goal or aspiration.

A special thank you is extended to your parents for all of their support. I applaud and thank them for encouraging and influencing your lives. I will continue to work with students in order to help our youth reach their fullest potential and become productive members of our community and society. A wise person once said, "Success may be

measured by personal accomplishment. But true success comes only from helping others." With these words in mind, I make a promise to you today to continue to support our students here at Barringer High School, at the same time, I ask that you make the same promise. Vow to continue to support others along your life journey so that you, too, may experience the joy of 'true success'.

Let's work together to continue the success of our school and community rebirth. I will continue to support the creativity, hard work, and dedication of teachers and staff as they continue to help mold and shape our students. I will also continue to encourage teachers to align their lessons with the New Jersey State Core Curriculum Content Standards to continue to meet the needs of young men and women, assisting them in envisioning as well as obtaining technical assistance, resources, and tools that will enable them to give quality instruction.

I encourage you to continue your quest for 'true success' by volunteering your time to mentor, teach, and positively guide the underclassmate so that you may serve as role models of experience. As community members, parents, teachers, and staff, we are the 'village'. It is our responsibility to 'raise' our standards by providing nourishing foods of thought; remembering always that the diet for survival lies within quality education.

HOMECOMING

One of the most exciting and enjoyable events at Barringer this year was Homecoming.

The games always kept you at the edge of your seats. The excitement and action was so overwhelming. Homecoming is the event where

you get to see royalty being crowned and cheerleaders cheer their best and loudest to lift spirits high.

Homecoming is where you can see Barringer High School's pride and spirit at its best.

Everyone is anxiously waiting for the grand day when our freedom becomes official. The day when each student is called and acknowledged for all the years of hard work just to come to this very day. Our graduation! There is still only another step we must take before fully spreading our wings. But the day is near when each person must jump out of the nest and take flight.

HANGING OUT IN THE
TENT

The Barringer Infant Toddler Center opened January 11th 1988. This year the center is celebrating the 20th anniversary that Barringer was selected to have the first school-based daycare center in New Jersey. Mrs. Meravi was asked to coordinate a parenting program for teenage-student parents.

Many of the center's teen moms have gone on to become teachers, nurses, military personnel, law enforcement officers, and successful business people.

"I'm so proud of them and their accomplishments, and of their children who have grown up and gone to college as well. I want my graduating seniors to know that if they continue to work hard and study, they will achieve their goals and the dreams they have for themselves and their children will come true. I want to thank my staff for all their support and hard work over these last 20 years. I could not have done it with out you," Mrs. Meravi said.

The center will be having a reunion in early June to celebrate their 20th anniversary. The teen parents and their now grown children will be able to visit the day care, look at pictures that have been maintained in scrapbooks for the past 20 years, and join in a celebratory luncheon.

Sadly after 40 years of teaching; 35 of those years at Barringer, Mrs.

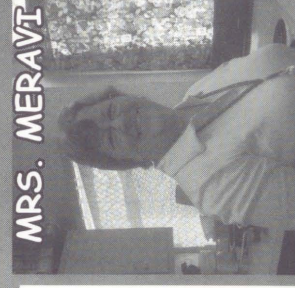

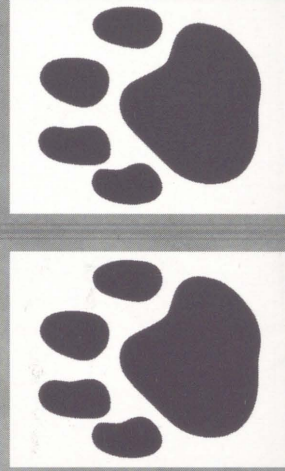

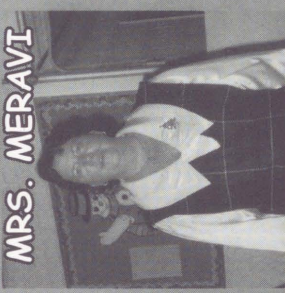

Meravi has decided to retire.

We the senior class leave you with thousands of cherished memories of all your kids both young and old. We will miss and love you, and will never forget your selfless ways and what you have done for all of us.

You will always have a place in the heart of Barringer.

A NIGHT TO REMEMBER

As the sun was setting, those standing at the door saw the luxurious limos stop briefly to let off the glamorously clad young ladies and gentlemen. The long-awaited night was finally here: The Senior Prom. The last official gathering of seniors, an event no one will ever forget.

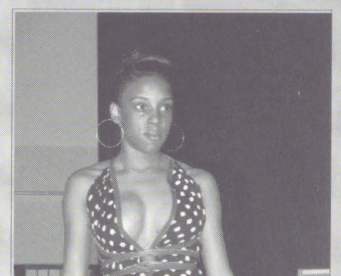

As tears of happiness and sorrow flooded the dance floor, couples stretched out their arms and linked together with others to feel the tunes of the 21st century. Race was insignificant here as the dazzling beauties and their dates sprang to the scene becoming part of a moment to be frozen in time. On this special night, each and every person there did not see themselves as students, but instead as friends dancing away the night. A night to be treasured forever.

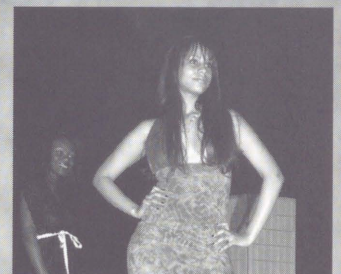

Fashion

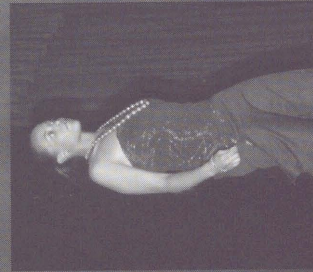

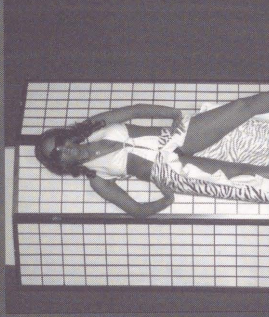

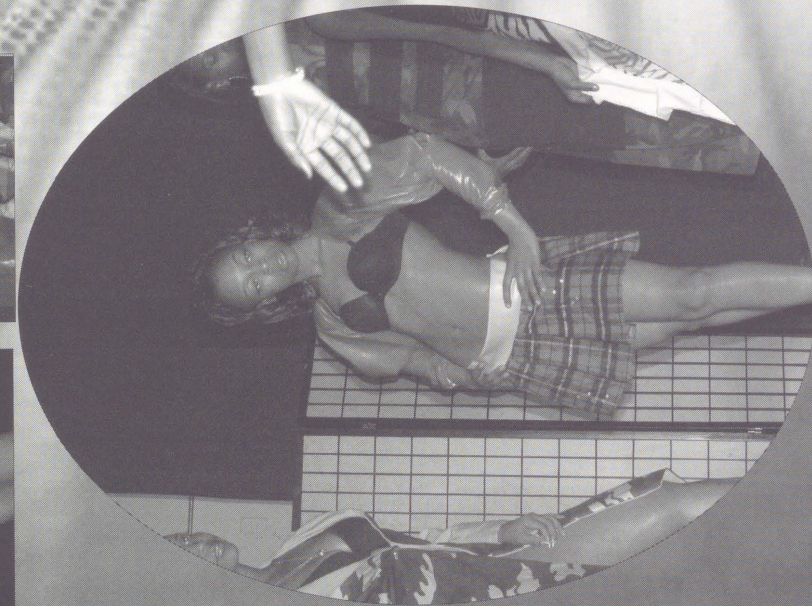

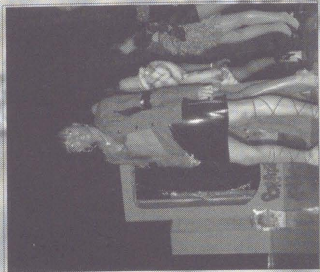

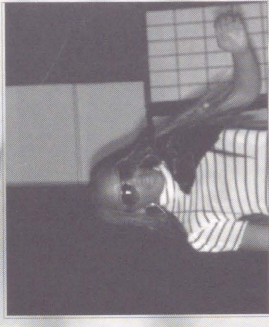

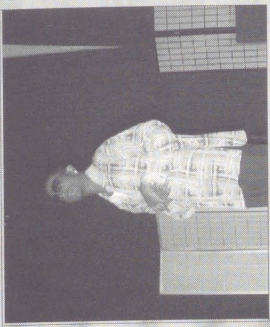

The fashion show was truly a marvelous event, where many of the student were able to show off their creative sense of style. Many of the girls were able to display sleek and beautiful curves as well as a colorful style. The boys were able to show off their strong bodies with bulging muscles and obvious six packs.

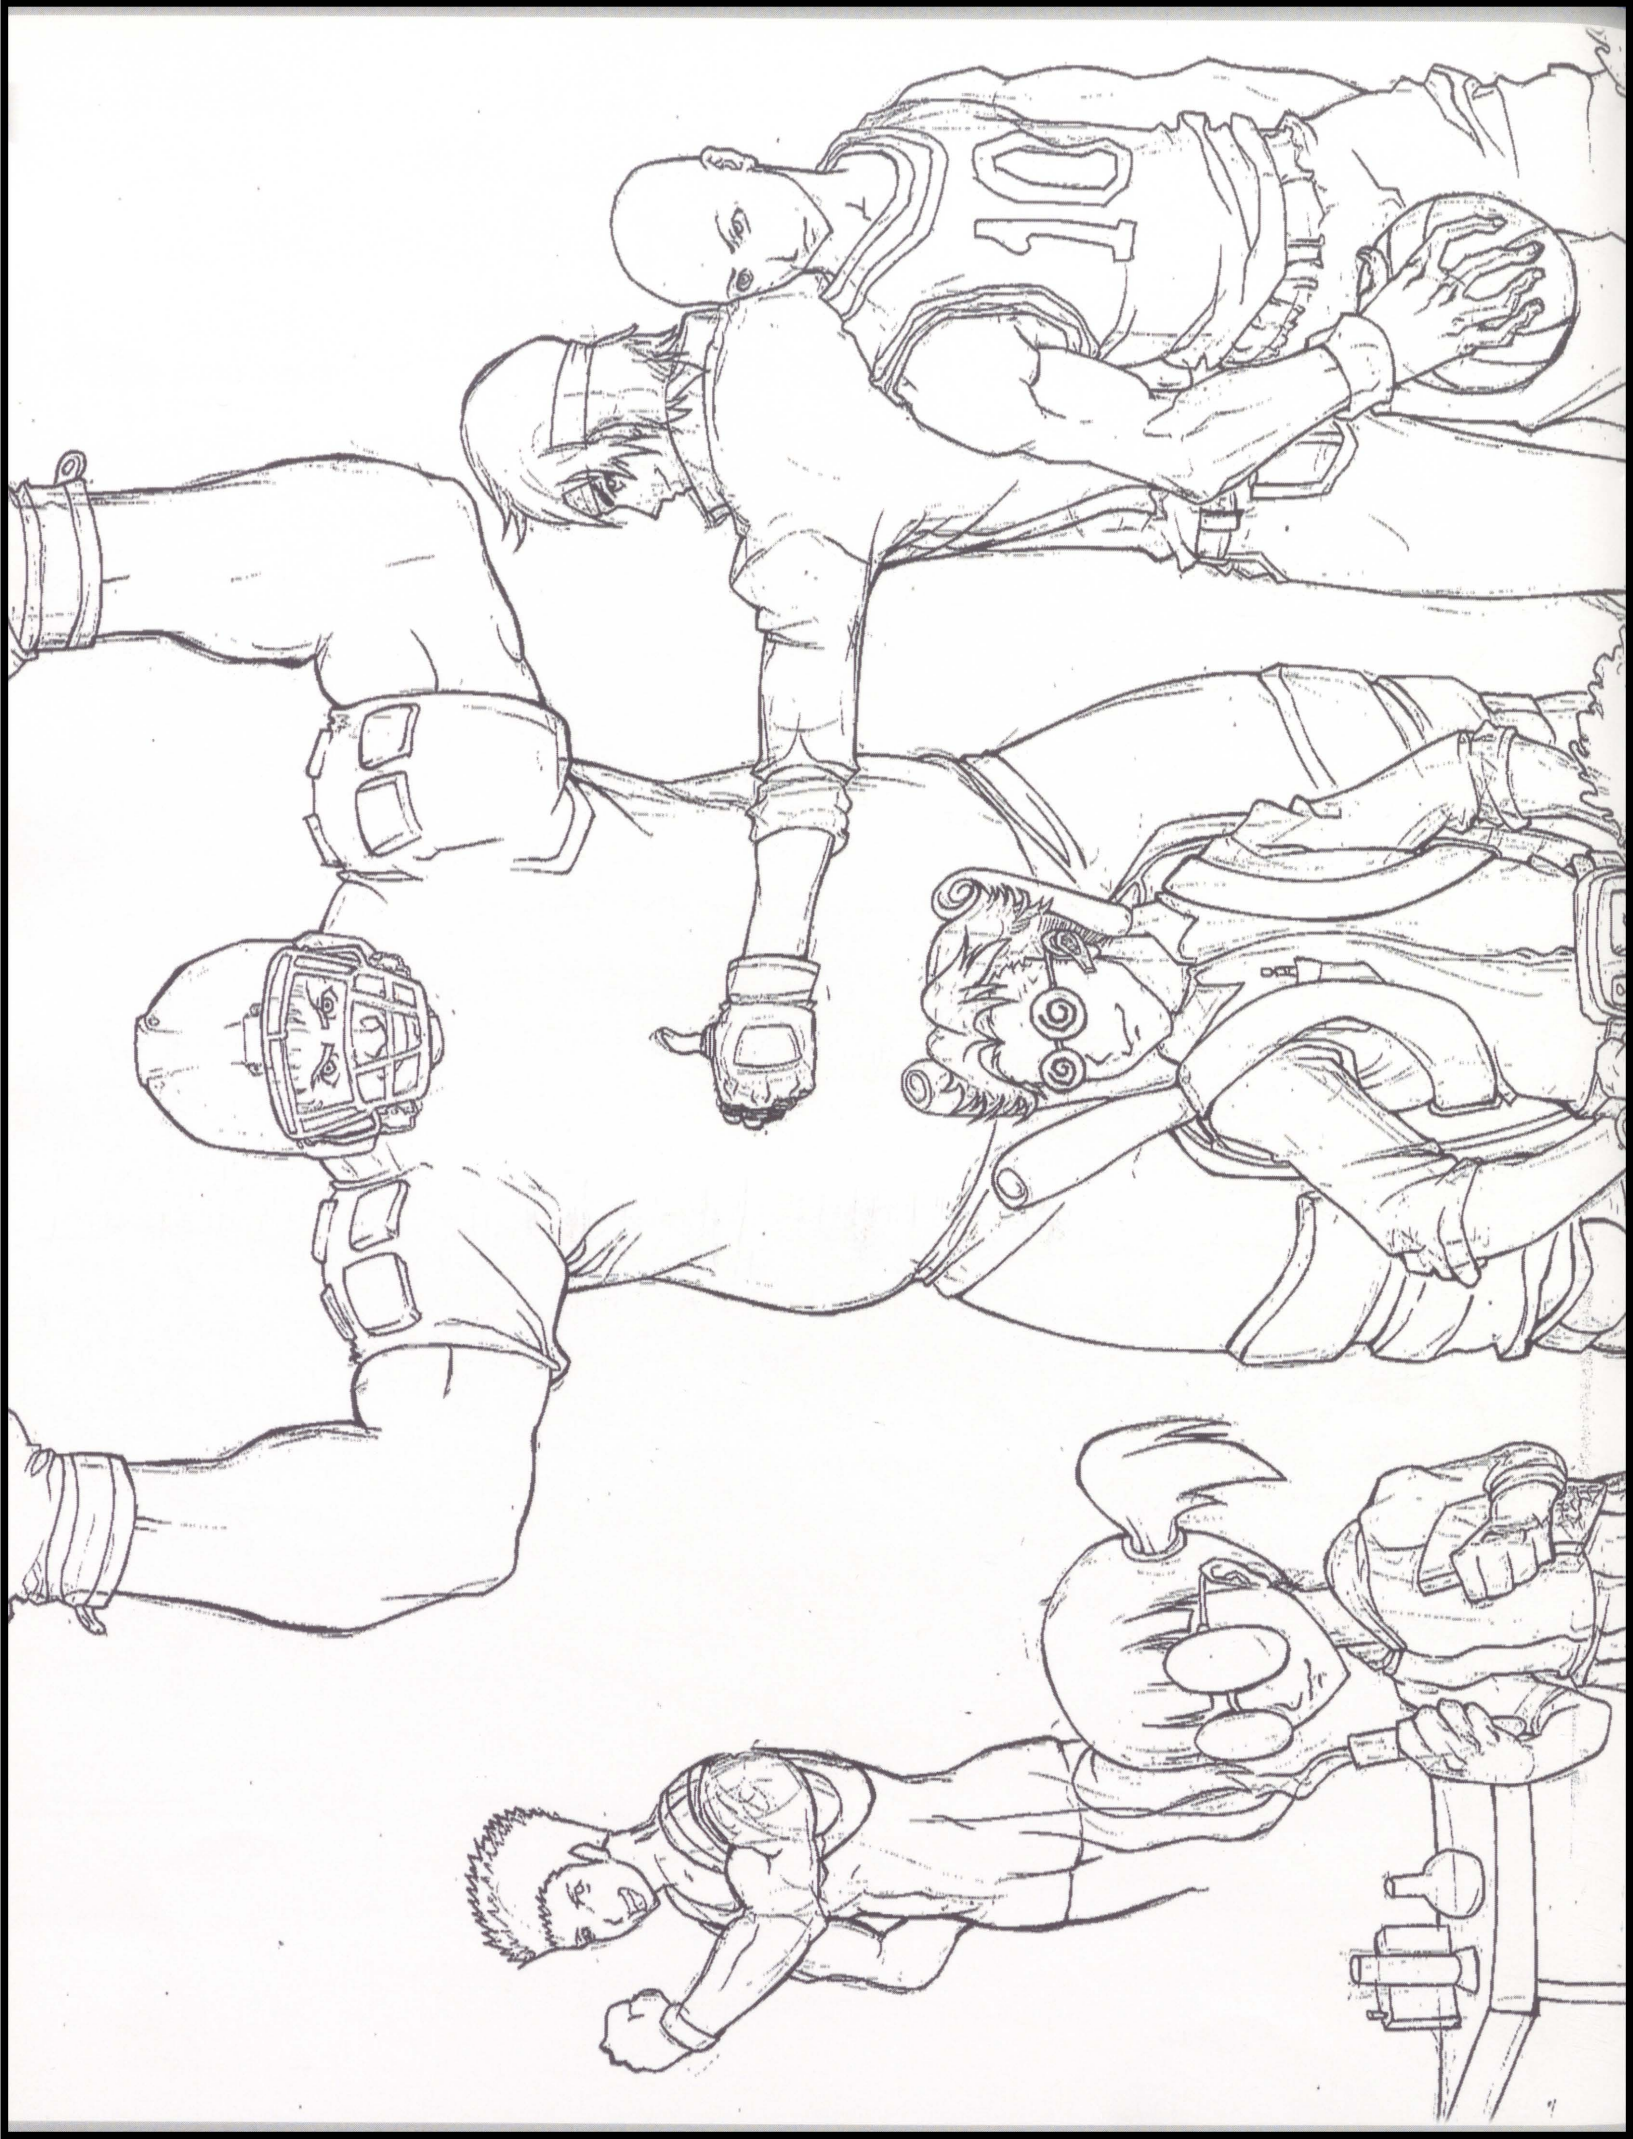

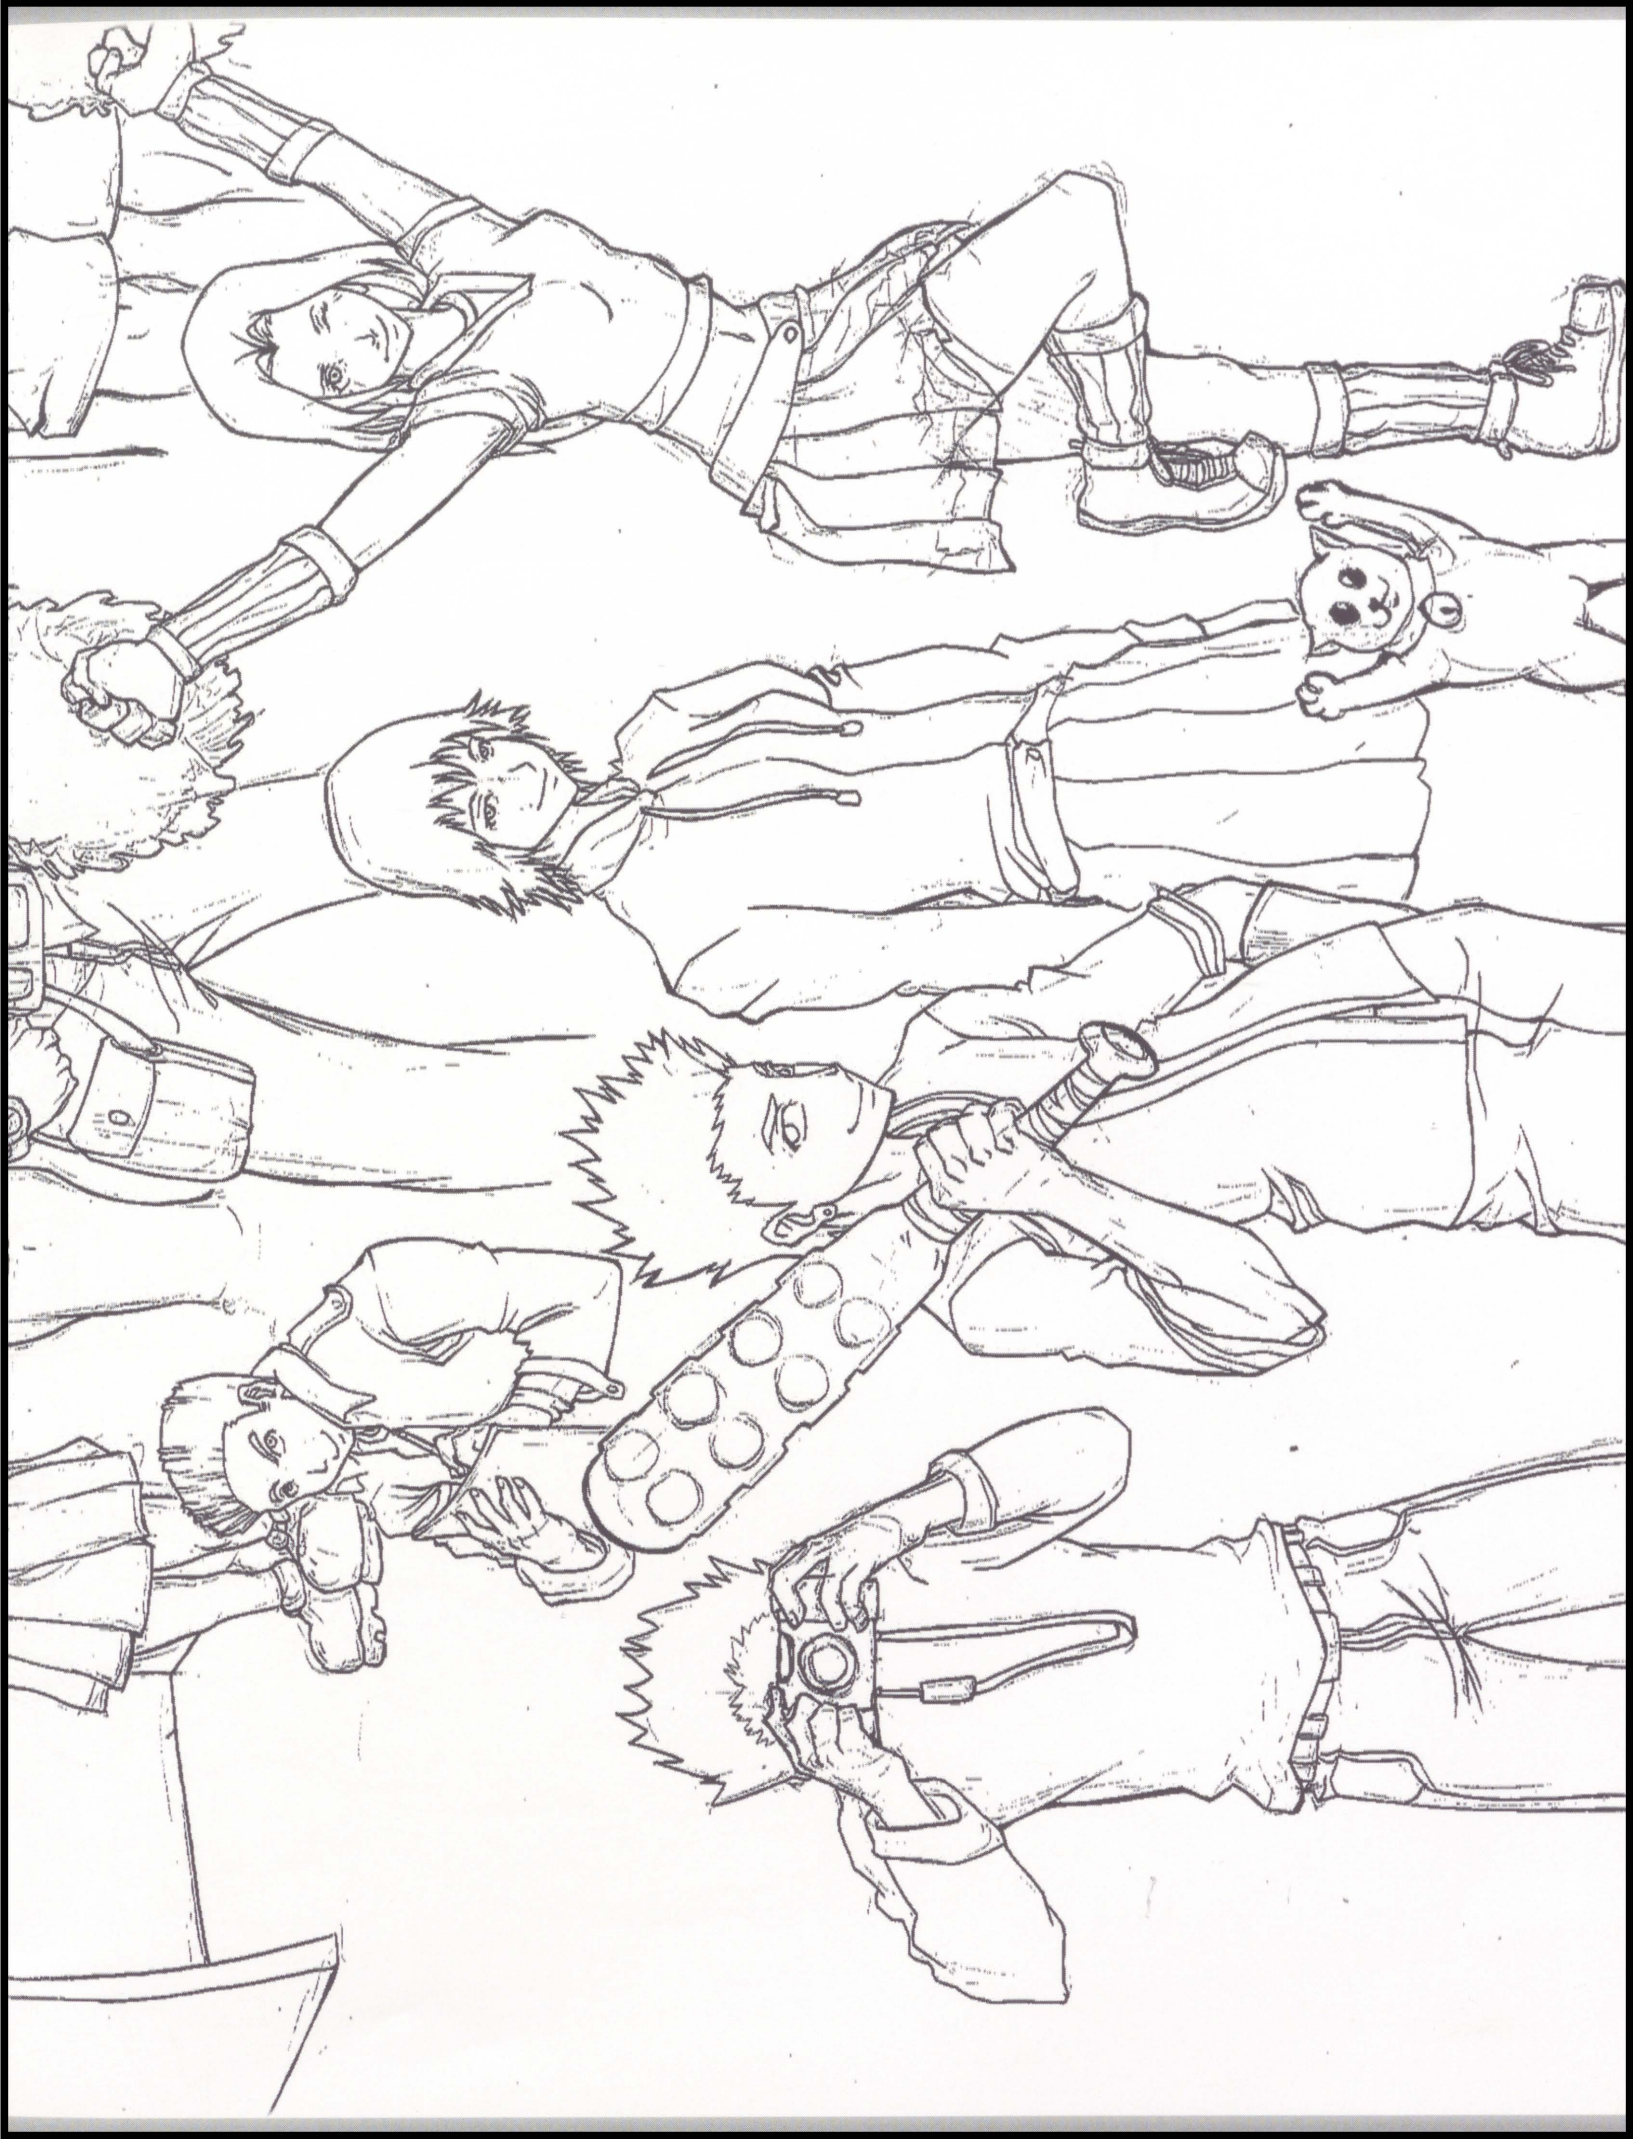

Show

At this event, the decorations and the background sets were outstanding. The creativity they put into the theme Barbie's and Bratz Dolls was spectacular! Everyone that was in the show put all their hard efforts together to present a show that the students here at Barringer High School would remember for years to come.

SORTS

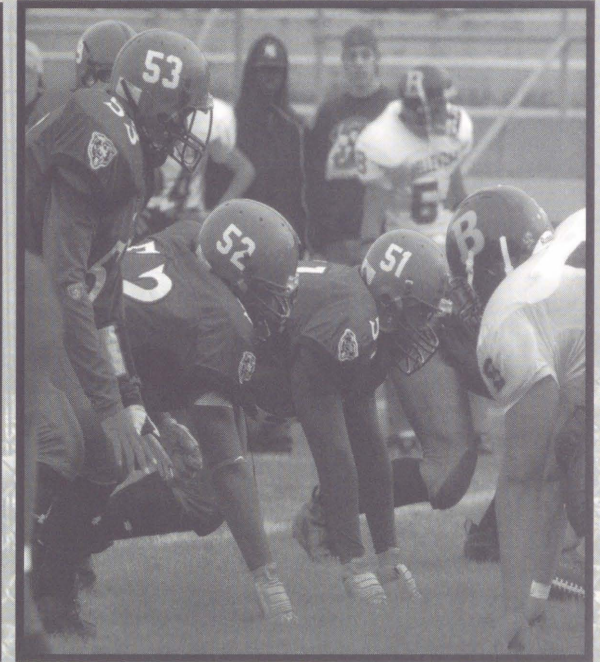

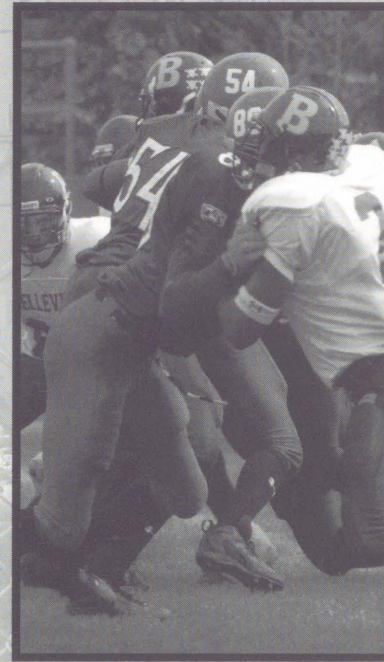

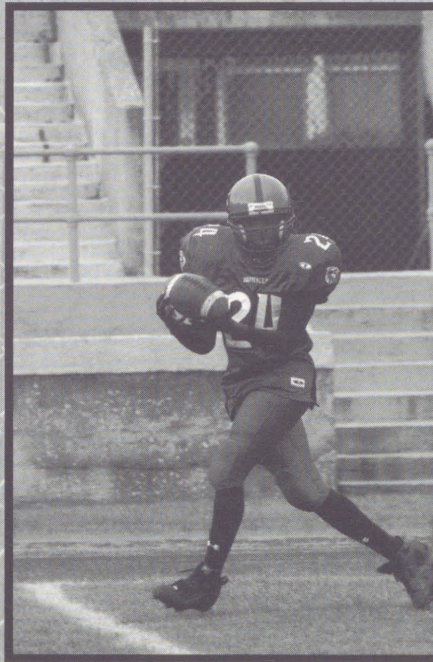

BLUE BEAR FOOTBALL

Football is a sport that requires the strength of the body and mind, working in unison, it isn't brute force alone, but also how a team can devise and implement a strategy while offsetting the opponent's tactics when striving for victory. Football is a lively and boisterous sport that is full of flourishing and memorable moments. This is how truly talented our football players are here in Barringer High School. They possess the agility, stability and teamwork required to play and win while enjoying the demanding sport of football. Our football team brings pride and dignity to our school despite winning or not.

BLUE BEAR BOY'S BASKETBALL

Basketball is a sport that requires sportsmanship and teamwork. These are the strengths that the boy's basketball team here at Barringer High School demonstrated. They were experienced and veteran players that gave their all in each and every game no matter what the outcome appeared to be. Each player reveled in the excitement of exceeding their limit and showing off what their capabilities truly were.

 Alan Weathers, Jihad Boyce, Dawud Plant, Linear, Kornegay, James (Bubby) Clowers, Edward (Munch) Henry, Darrell Mendel, Mikey Curreton

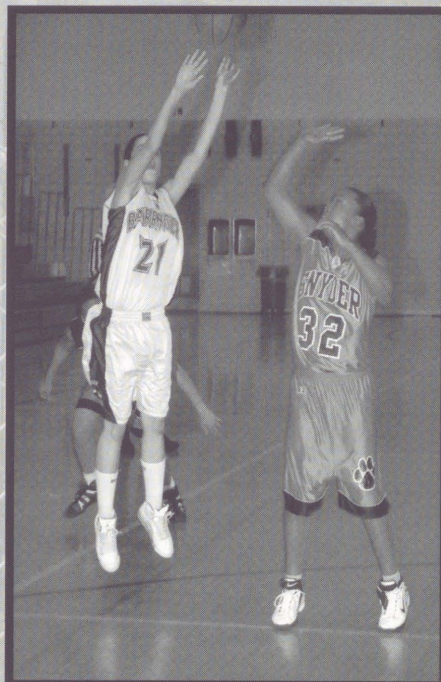

BLUE BEAR GIRL'S BASKETBALL

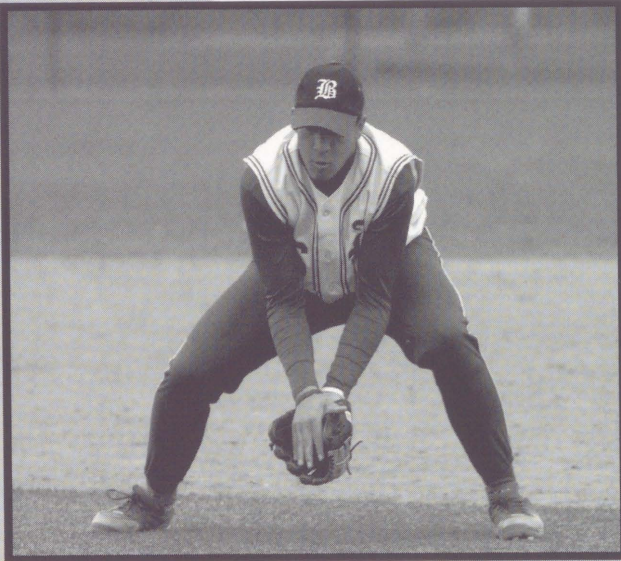

The girls on our basketball team were spontaneous and energetic players who demonstrated they knew how the game was played. Each member of the team was resilient and persistent, making them, as a team, into an unbreakable bond. With their hearts in the right places they were able to play hard in each game with the adrenaline and energy needed to come out victorious! Barringer High School is proud to honor the girls who played on the Barringer girls basketball team.

Head Coach W. Arndt, Asst. Coach L. Arndt, Maria Canada, Nakeecha Bridges, Jessica Osorio, Fantasia Jones, Fuamilayo Aseno, Veronica Guiliano, Angela Ferreira, Yexenia Santiago, Nikita Powell, Melissa Rivera, Mgr. Shakyra Phillips.

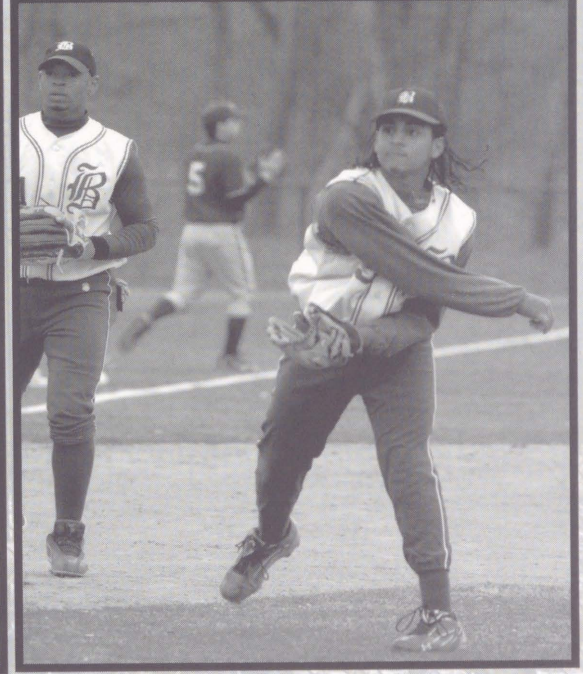

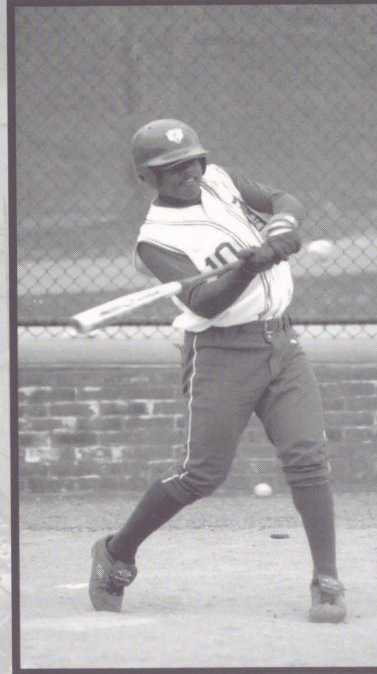

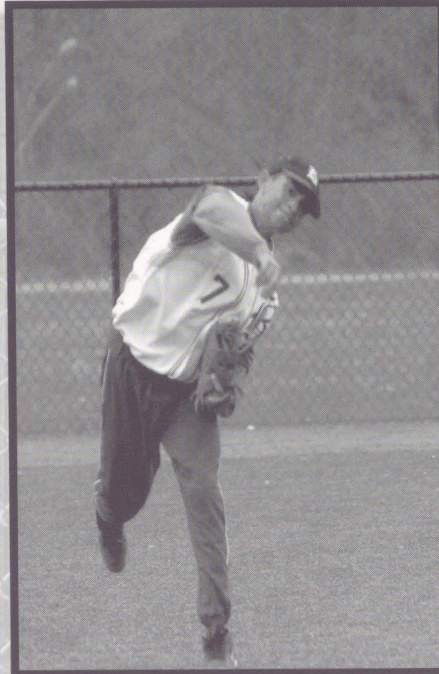

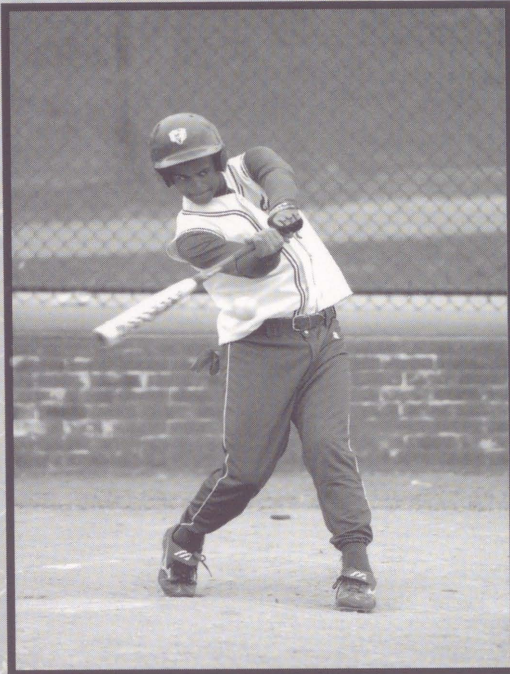

BLUE BEAR BASEBALL

Baseball is a sport that brought teamwork, leadership, and integrity to Barringer High School. It is the same sport that brought new and old talent to Barringer baseball to fight for a spot in the playoffs. Pitchers, infielders and outfielders played hard to win their games. And of course credit must be given to the coaches who cracked the whip at practice sessions to work the players so they would stay in shape. They pumped them up to win games. The team overcame hardships, and struggled to show off their blue bear pride throughout the season.

BLUE BEAR GIRL'S SOFTBALL

With sweat dripping from their foreheads and dirt in their faces, no one knows pride like the lady Blue Bears of Barringer High School's softball team. With the determination to win with the heart of a bear, this softball team accomplished success. From the pitchers to the fielders, each member of the team was able to execute their position the best that could be expected. With hitting as a priority, each member of the team put in the practice needed. The lady blue bears will always reign supreme to the vigorous effort they applied to softball.

Coach F. Shapitl, Maria DeLeon, Yexenia Santiago, Denise Rivera, Coack K. Powers, Yevette West, Tyeshia Perez, Chastity Melendez, Coach W. Arndt, Angela Ferreira, Melissa Roman, Angelica Reyes, Crystal Pincay, Wilmarie Melendez, Swannah Webb, Carina Evans.

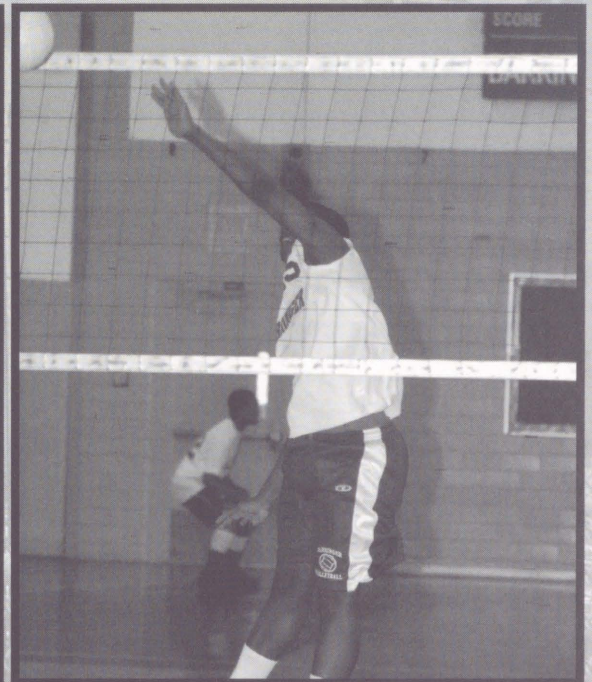

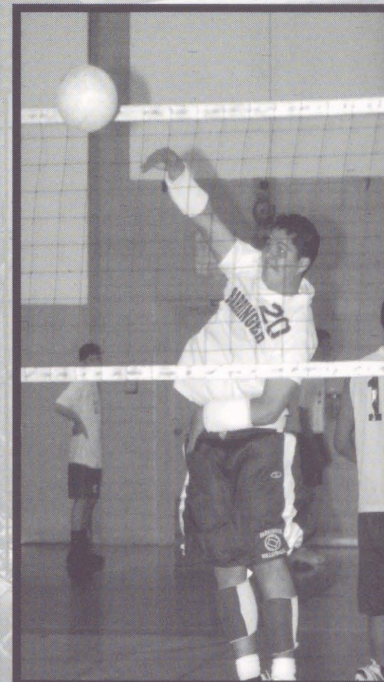

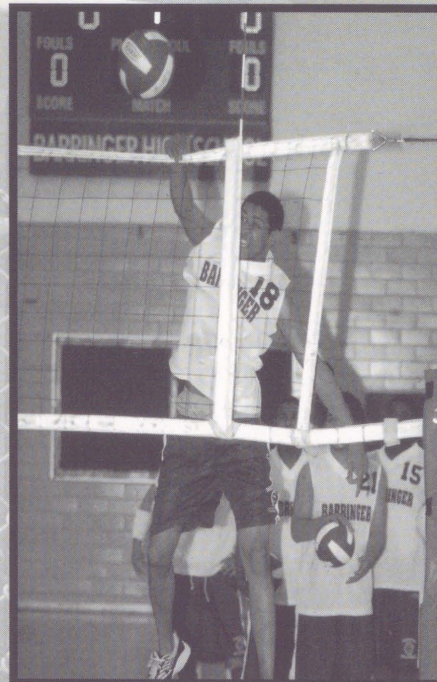

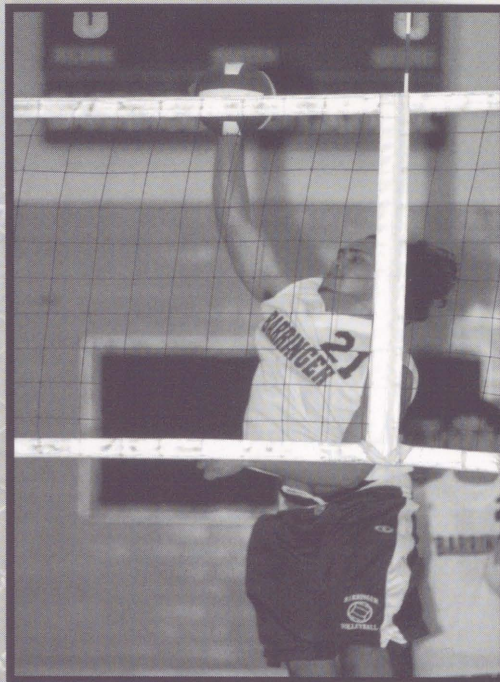

BLUE BEAR BOY'S VOLLEYBALL

Barringer High School Boys volleyball team, have always kept their spirits high no matter what the circumstances. They have always played with motivation and skill. With determination and confidence, our boy's volleyball team overcame the toughest of opponents and daunting of challenges that attempted to roadblock their pathway to becoming champions. Our boy's volleyball team was resilient as a team and indispensable to our school.

Jose Guzman, Robinson, Khaleel Barnett, Eddy Sosa, Luinius Sosa, Brian, Desean Aulston, Josue Iugo, Edwin Ramos.

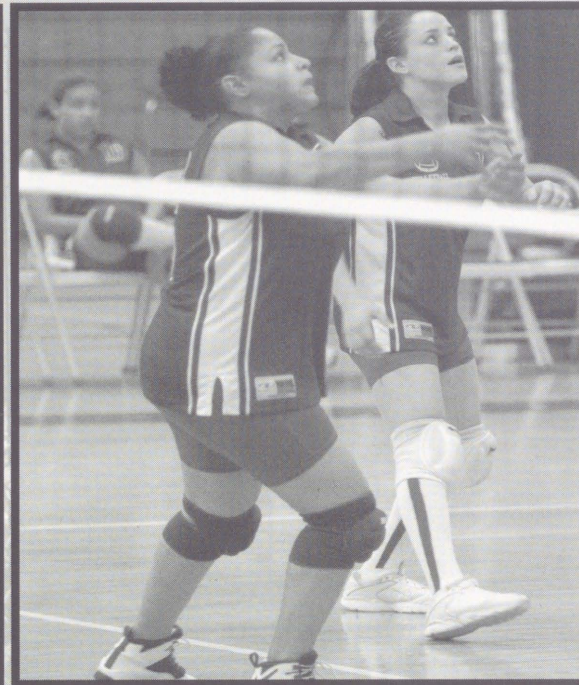

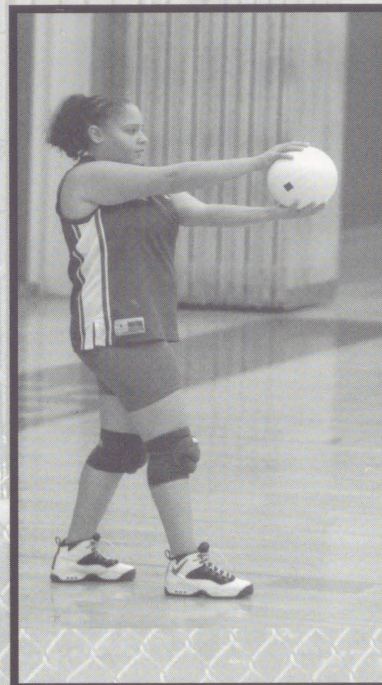

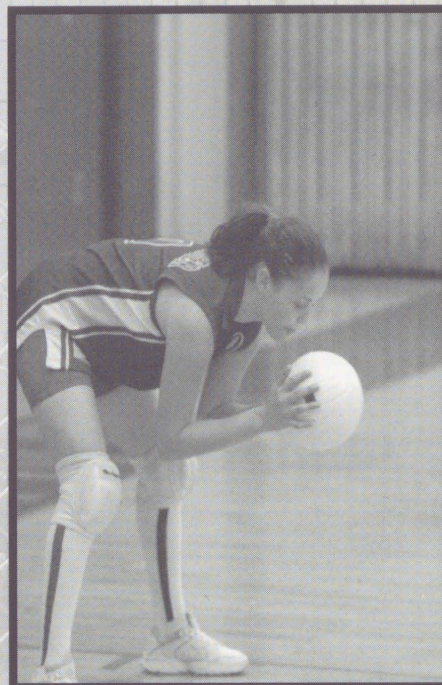

BLUE BEAR GIRL'S VOLLEYBALL

Girls volleyball is an exciting and energetic sport that is full of enthusiasm and earnestness. Barringer High School has acquired some of the most talented and athletic girls that play, and we are fortunate to have them playing for Barringer High School's volleyball team. They ignite the spark needed to pursue a productive game, despite the odds. The pleasure and gratification that they bring to the school is most appreciated and prized with respect.

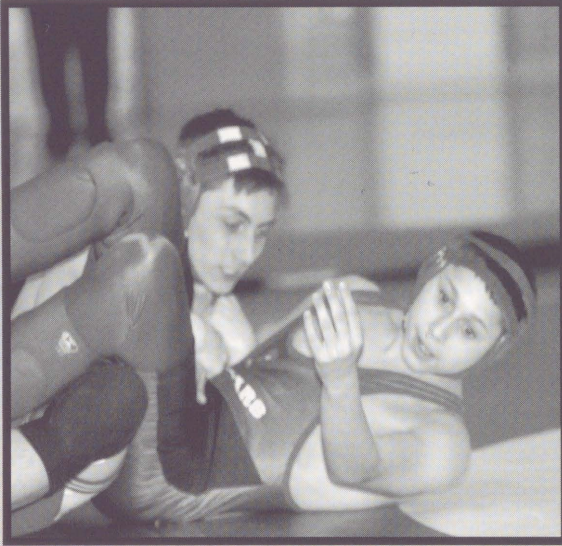

Seniors, Yexenia Santiago, Diana Rivera, Jennifer Frimpong discuss the strategy against a formidable opponent with Coach Maribel Valedéz.

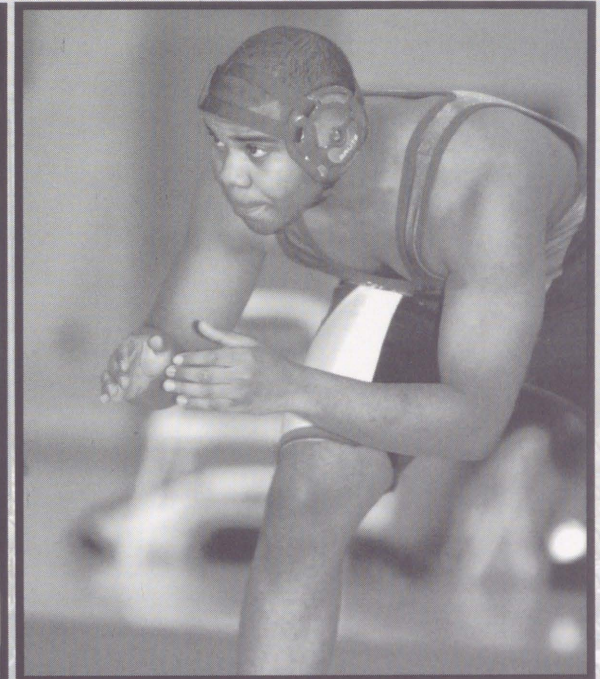

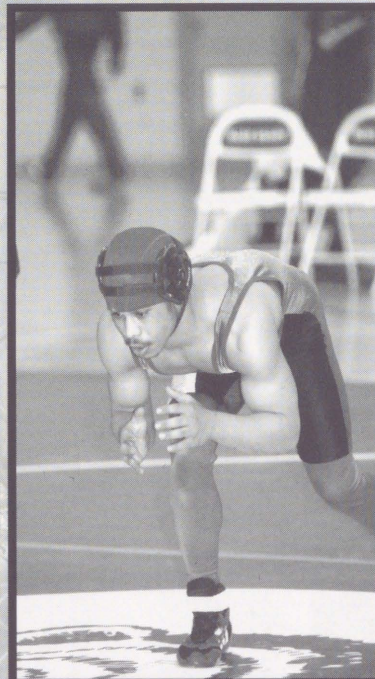

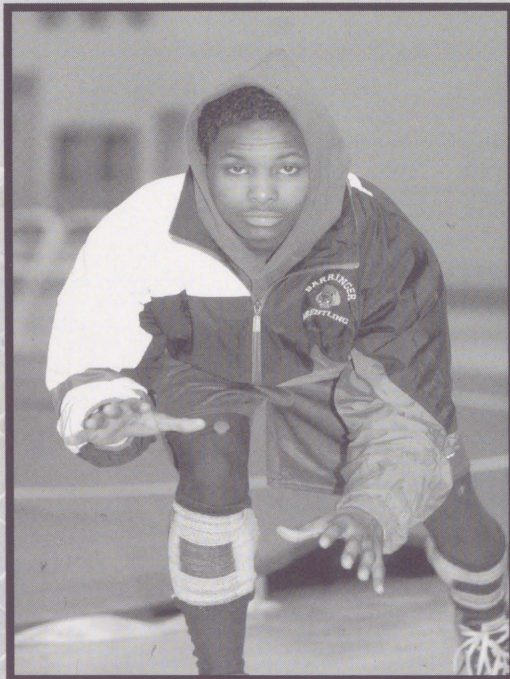

BLUE BEAR WRESTLING

Wrestling has been a part of Barringer since mid 1960's. Nevertheless, it does not garner the attention and recognition it deserves. From November 25th to the end of February wrestlers run, diet, and drill until their legs shake and stomachs ache. Wrestlers mold and shape their bodies into athletic perfection. However, do not take wrestling for any other sport where brute strength and sheer power will guarantee your victory. It helps to have these attributes, but that is not what wrestling is about. Wrestling is about controlling and manipulating your opponent into submission using speed and knowledge of the moves. But when all is said and done wrestlers demonstrate a mutual respect and brotherly friendship towards each other despite the end result of the match. Wrestling is, and will continue to be, an integral part of Barringer history and future.

BLUE BEAR BOY'S SOCCER TEAM

Our soccer team at Barringer High School was a squad that had the consistency of speed and resistance to mental as well as physical deterioration. They dispatched onto the field as fierce competitors and unflinching in the face of valiant foes. They always showed their willingness to carry on throughout each game, whether they won or lost. The soccer team was a team that had an amazing sense of intrepidity no matter what the circumstances. Our soccer team demonstrated what it is like to work as one.

Coach E. Tyluki, Teddy, Kennedy, Calvin, Carlos Portillo, Mathew Alverado, Maxwell Ameda, Christopher Gutierrez, Coach Aguliar
Carlos Quintos, Michael, Javier Pincay Byron Buray, Jose Portillo, Juan Cordon

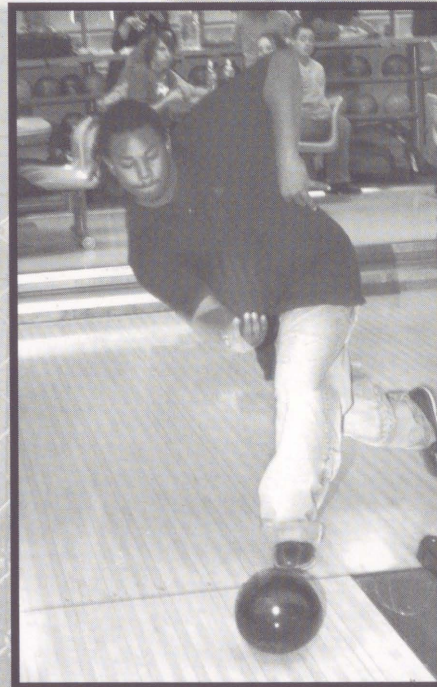

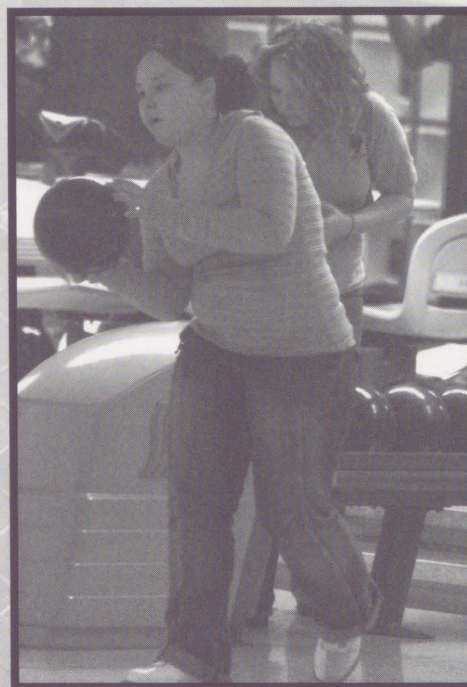

BLUE BEAR BOWLING

Bowling is a sport that takes much teamwork and concentration. This year the sport brought many new and old faces to the team. Even though most of the Junior Varsity players didn't really have the same experience as those on the Varsity team, the team eventually pulled together and helped each other out. Mr. Ed Tylutki our new bowling coach worked with each player to raise their individual game to a new level. As a team the group joined ranks to develop sportsmanship whether scoring a win or loss.

Head coach, Ed Tylutki, Manuel Betencourt, Anthony Gurley, Emanuel Soto, Eddie Sosa, Rob Carisquala, Dion Scott, Bryan Byrd, Brian Graham.

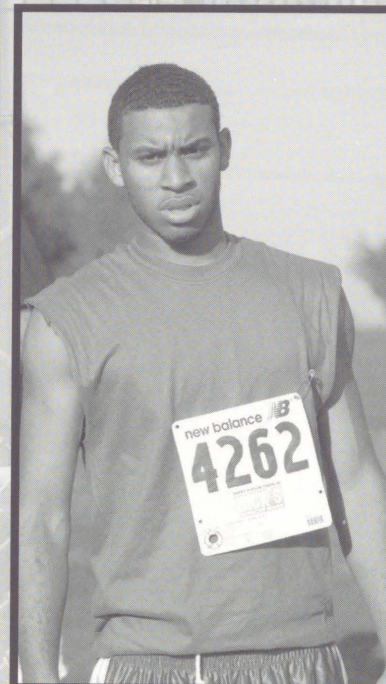

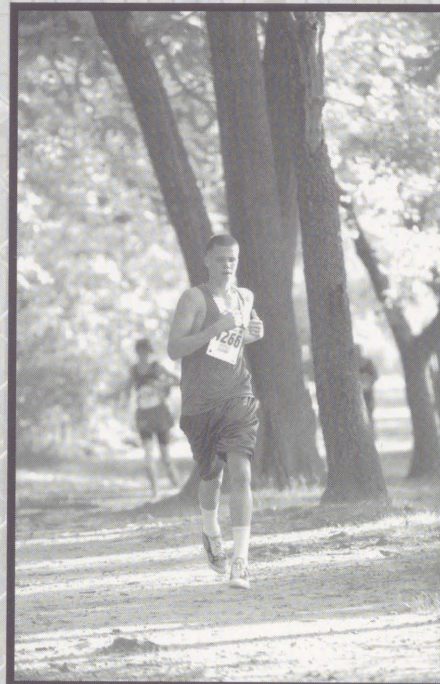

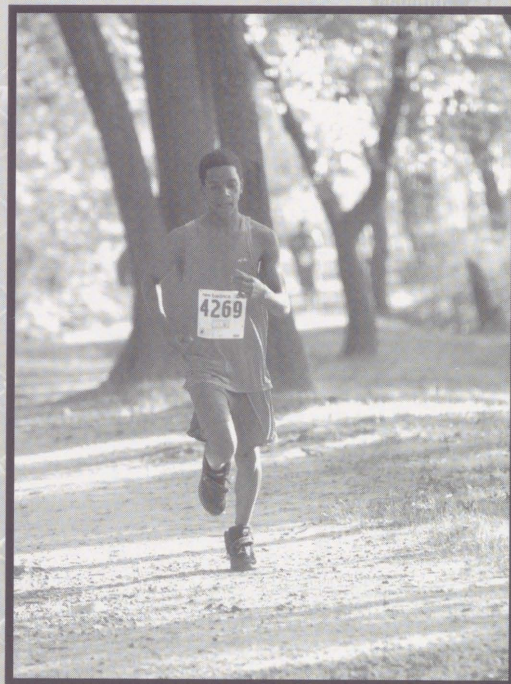

BLUE BEAR CROSS COUNTRY

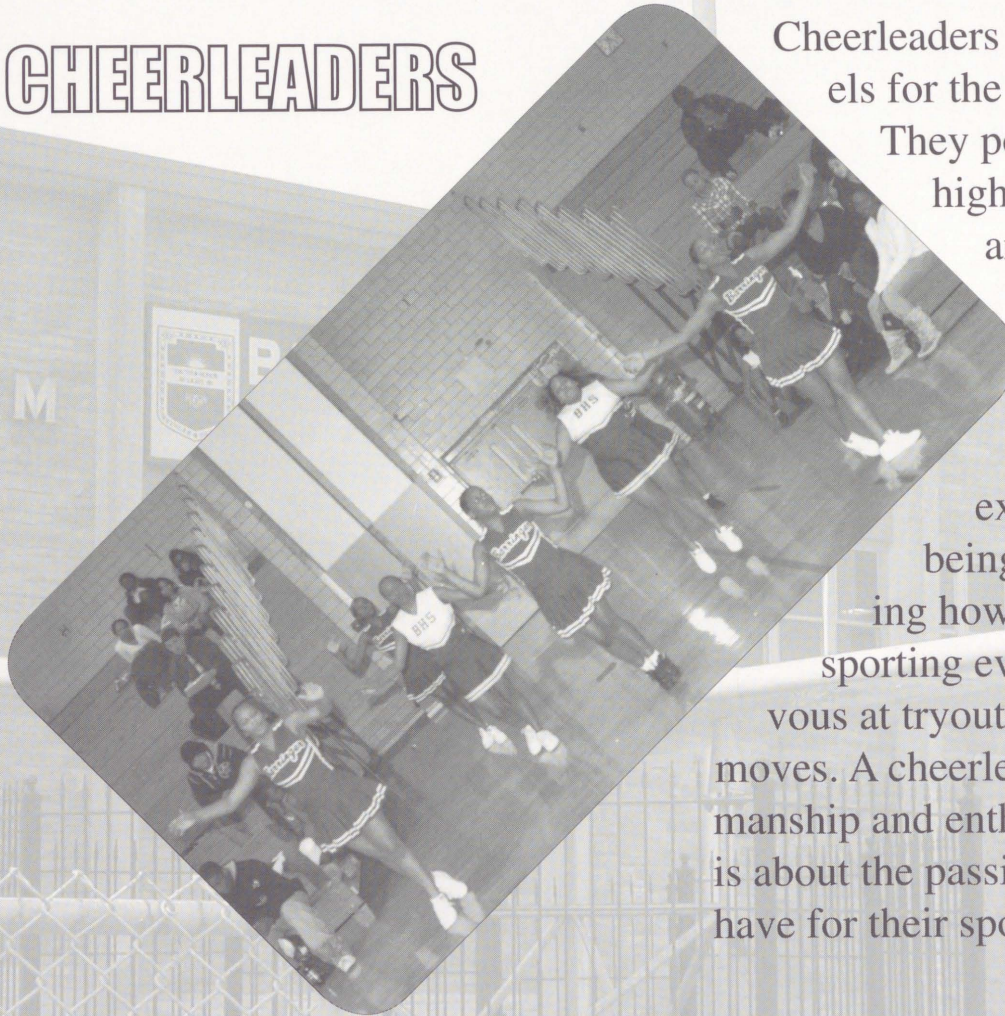

Barringer High School's cross-country team was unequal in their speed. They were energetic and hasty to make it to the finish line, no matter how rough the path. They overcame with high spirits and eagerness. The magnificence in the sport is how one handles the pressure of physical conditioning, the competition and the discipline that one must adhere to. As a team they were vigorously dedicated, active, and robust! Barringer High School is fortunate to have students that are strong enough to withstand the challenges and adversity that they face.

Head coach, F. Schapitl, Isreal Peraja, Juan Carlos Cordero, Anthony Taylor, Jean Measette, Luis Valderamo, Terrance Jackson, Juan Valasquez.

BLUE BEAR CHEERLEADERS

Cheerleaders are leaders and role models for the general student body.

They possess leadership skills, high academic achievement and school pride. Cheer-

leaders are important to the school climate and also an intriguing

part of the school experience. The basics of

being a cheerleader is knowing how to impress the crowds at sporting events, avoid getting ner-

vous at tryouts and perfecting the best

moves. A cheerleader is based on sports-

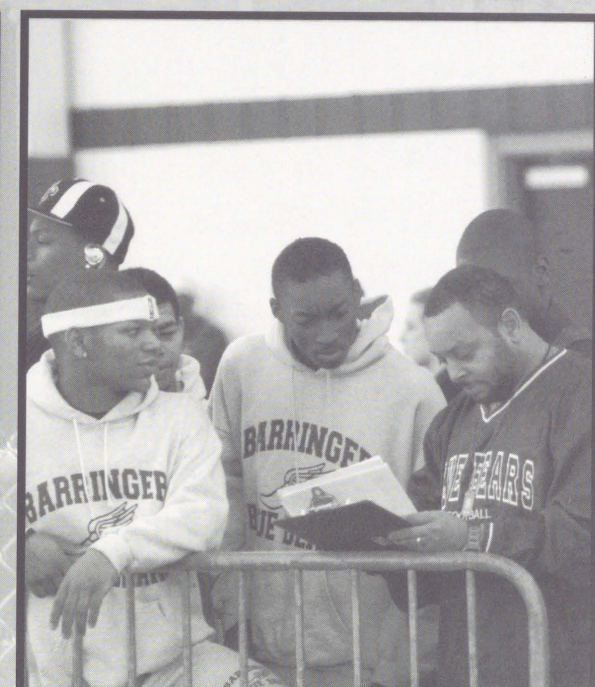

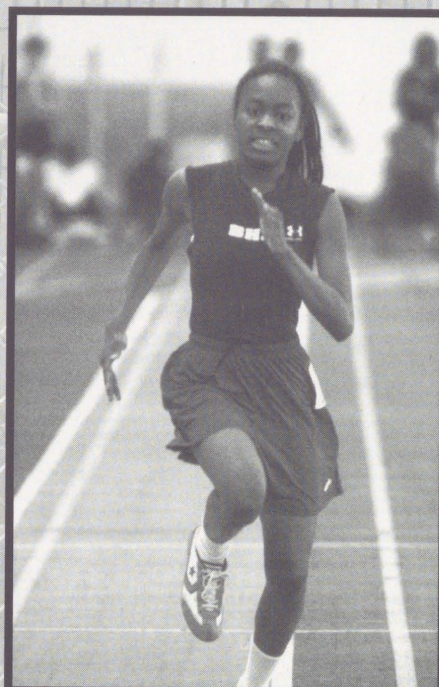

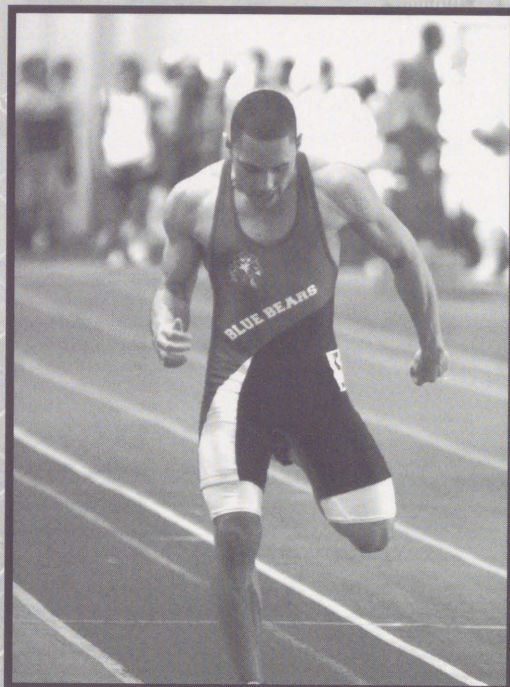

manship and enthusiasm. Cheerleading is about the passion and dedication they have for their sport.

Head coach, G. Arrington, Asst. Coach D. Davis Hakeina Bateman, Tyanna Jones, Droni Machena, Brandon Morales, Ali Jones, Tajh Stone, John Asbury, Mark Arts, William Jones, Tim Brown, Keeghan Padmore, Sherman Barcliffe, Damian Waters.

BLUE BEAR INDOOR TRACK

Throughout years the indoor track team has truly made Barringer proud. This year the team was able to show excellent running ability and perserverance. The indoor track had one mission and that was "to win." They were able to show great team support by trying the best they could to win and encourage their team members to keep on going. Throughout the season they enabled their dedication by competing against teams with large group of runners. Each runner put out their best efforts to improve, as a team, the outcome of each meet.

Listen carefully, Class of 2007, for the sounds you hear tonight will last a lifetime. Store them up and save them in your hearts, for they are priceless. Each whisper, each tick of the clock is a reminder of something you've gained while here at Barringer High. Pay attention, so when you hear them later in life you will remember.

When you hear a bell ring, remember our first day of school, back in September 2003. The coolness of the desks chilled our sun-tanned skin as we sat timidly in our seats, quietly absorbing the shrill sounds of our first high school bells as it rang at 8:20 in the morning. As much as our eyelids wanted to sink into a sweet abyss, fear crept through our bones as we eyed the monstrous seniors sitting nearby. For many of us, they may as well have been pro-wrestlers but we did not run from them. Rather, we learned to pick the biggest one and follow him through the halls, avoiding the grueling task of maneuvering through a sea of students. We learned to problem solve quickly in those first days, a valuable skill. Don't forget this lesson, for it will take you far in life.

When you hear a door slam, remember that first embarrassing time you tried to open a door on the left side only to be greeted by a chorus of students yelling "Freshman" as you pulled frantically on an object that may as well have been cemented to the ground. Once out of the flow, it took an entire passing period to merge back to the right side of the hall and into the correct lane of traffic. As humiliating as this may have been, it taught us to do things right and not take short cuts because they might take longer than the correct way.

As cheers ring out, think back to football games in the frigid winter air. Remember clinging frantically to a cup of lukewarm hot chocolate only to have it stolen from you by that big guy in fourth period biology that you only talked to once. Listen once more to the noisemakers in your hands as you slammed them together in hopes it would bring the ball back to the correct side of the field. Feel again the sensation of being squashed between other celebrating students as the clock ticked away the final seconds, displaying the winning score. Remember the pride you felt and hold it close, for it is part of you.

And when you hear the clock tick, remember all the things we have accomplished at Barringer High, for they far outnumber the seconds that have elapsed while we were here. We are the class of 2007. The graduating seniors of Barringer High. In our midst I see the first female American president. I see a professional baseball player and renowned humanitarian. There is a Hollywood actress and a Nobel Prize winning chemist among us. We have more than potential, we have drive. We know how to do things, and how to do them well and finally our chance to do this has come. We know have left our mark on Barringer High, now it is our turn to do the same to the world. So as we set out on different paths, listen carefully for the sounds of the evening. They are our link to the past and our key to the future.

ACTIVITIES

Student Council

The advisor for (Student Council) is Ms. Jimenez. They meet every Thursday in Room 335 from 3-4 p.m. The main requirement is that all members must have an interest in promoting school spirit. This club helps fundraise events that build up school pride. One special event that they held was the Post-HSPA Party that was held in the school's cafeteria.

Future Teachers

There are three advisors for this club: Ms. Fuentes, Ms. Mujumdar, and Ms. Coppola. This club meets every Thursday in Room 336 at 2:40 p.m. It is open to every student who has a desire to be a teacher in any field. The members of this club are taught lesson plan procedures, objectives, closure, and assessment. The students who participate get to experience the daily activities of a teacher. The members are taught nonverbal clues and what to expect in the classroom when students become disruptive and are struggling academically. Members of this club learn classroom management and discipline. Many of today's classroom instructors in New Jersey were once members of Barringer's branch of the Future Teachers of America.

Pathways To College

The job of Pathways to College is to prepare Barringer High School students for college. The teachers that are involved with Pathways are Ms. Whitehurst, Ms. Covington, Ms. Lintonas, and Mr. Souder. Students that complete Pathways to College program are linked to many colleges through scholarships.

Junior Class Committee

The advisor for the JCC (Junior Class Committee) is Ms. Jimenez. They meet every Tuesday in Room 335 at 2:40-3:40 p.m. This club is only available to juniors.

All members are required to help and discuss different ways to fundraise for the junior class. These members are well known. They're always selling candies and goodies around the school.

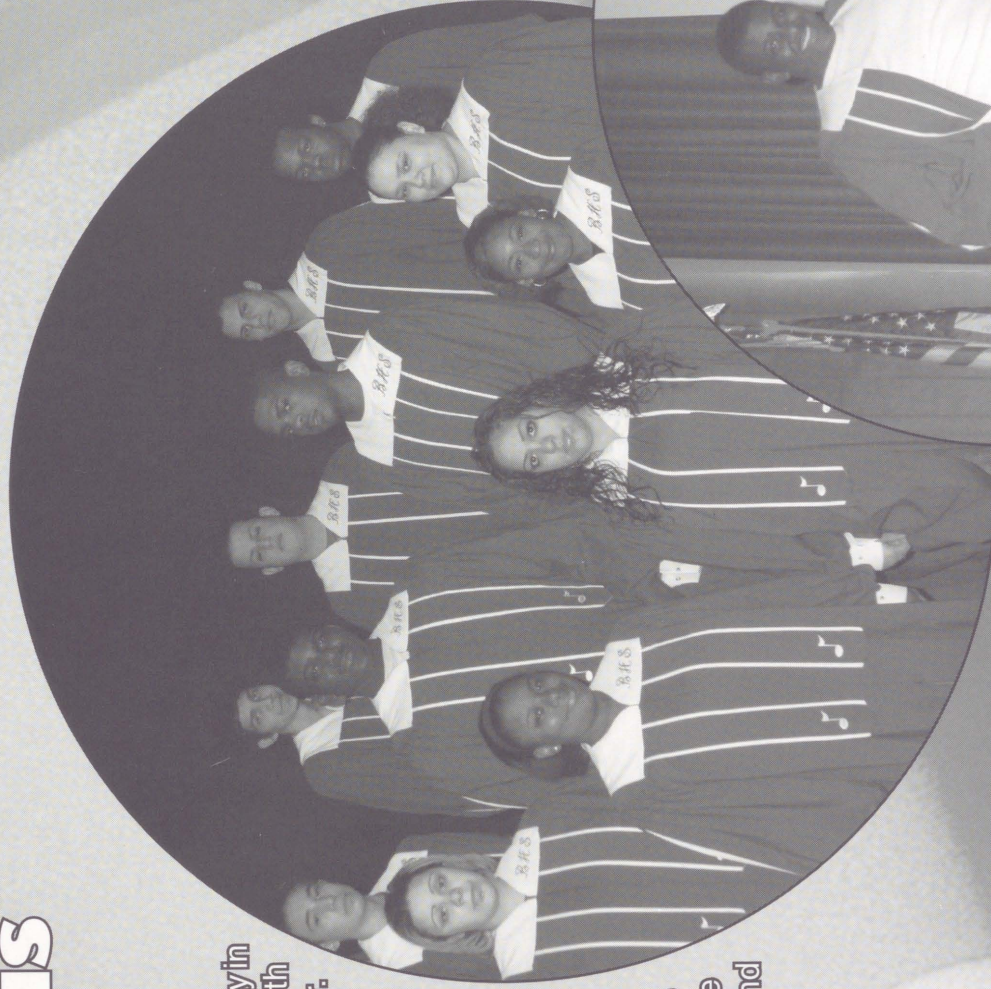

Booktalk

Booktalk meets the first and last Wednesday of every month, in the library media center, at 2:50 p.m. Ms. Peterson is the advisor. Booktalk is open to all students who enjoy reading and involvement in a variety of resources, discussions, and planning activities. During meetings students participate in book reviews, submit recommendations for library purchase, plan upcoming events and assist with developing library media policies. All members play a role in the African-American and Women's History Program, celebrate libraries, open mic, fundraisers, Read Across America, letters about literature and literature contests.

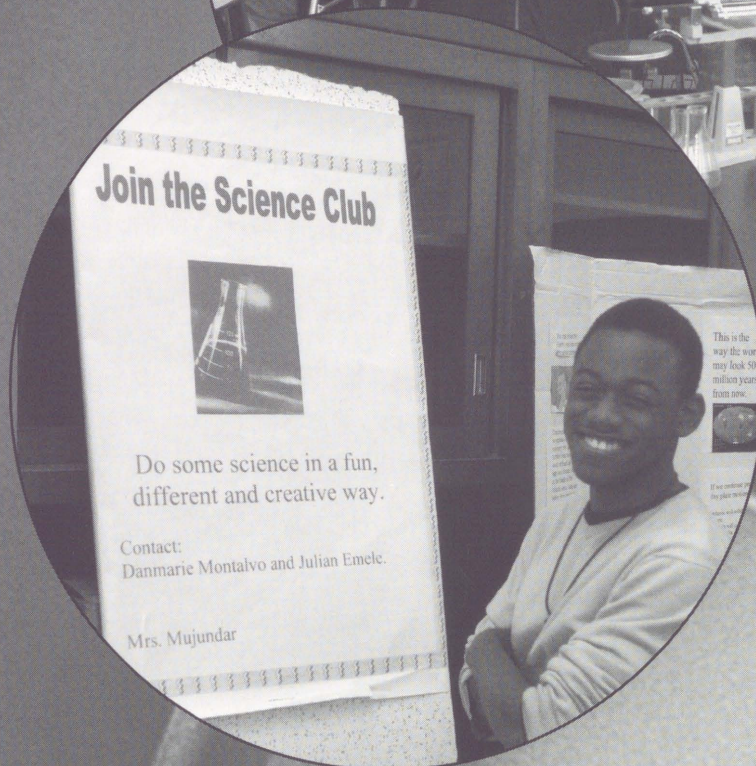

chorus

The chorus meets everyday in Room 202 at 1:17 p.m. (4th Block). The advisor is Mr. Itkor. Chorus is open to all students who love and have a desire to sing. Everyday during meetings the students sing songs in four parts harmony in preparation for concerts and other public performances. Among the major events they produce are the annual Winter and Spring Concerts.

Science Club

The Science Club meets every Thursday in Room 348 at 2:45 p.m. Ms. Mujumdar is the advisor. It is open to all students who have an interest in science activities. During meetings students work on experiments, HSPA quizzes, bulletin boards, weather reports, lectures, and projects. Two of their special events were Teacher's Day held in BHS and Research Science News for 2006 displayed on the bulletin board on December 20, 2006. The Science Club was recognized for participating in the Science Fair project at UMDNJ on April 1st to the 3rd 2006.

Senior Class Offi-

The business of the senior class committee was to raise money for graduation experiences and other activities related to the students final year at Barringer. The senior class president is Luis Maldonado and the vice president is Vernon Scott. The senior class advisor is Ms. Whitehurst.

Acropolis Literary Magazine

The Acropolis Literary Magazine meets every Friday at 3:00 p.m. in Room 329. Ms. Lontas is the advisor. It's for all students who are interested in literature, art, and publication. The students in the club are responsible for design outline and format, making executive choices regarding artwork, poetry, and prose. One of their special events is the publication of the Literary Magazine distributed in BHS in June.

The Acropolis Literary Magazine is published bi-annually and accepts artwork, poetry, prose, raps, essays, lyrics, and comics from students outside the club.

W.B.H.S

The advisor is Ms. Owens. The members of this club meet Monday-Friday in the morning and afternoon to read announcements. This club is open to every student, however the only requirement is that the members have to be literate and enthusiastic. This club reads announcements in BHS, but it hopes to do announcements at school games too. Ms. Owens said, "WBHS Announcement Team is a vital part of the Barringer community. We broadcast important information to the students, faculty, and staff of the school each morning and afternoon. Our dynamic team brings the pride back to Barringer High!"

Art Club

The art club's advisor is Ms. Alamo. The art club meets every Monday after school until whenever the students want to leave. Students must bring drawings of art-work to show the skills they have. The members concentrated on "fantasy art" this year.

Robotics

The robotics club advisor is Mr. Keith Guarino. The Robotics team meets in room 124 every day from 3 p.m. to 7 p.m. Students interested in being a part of the Robotics team must be motivated and dedicated to the team and have to always put the robotics motto first "Gracious Professionalism." During a meeting the team members design, program, team build, and strategize. The Robotics team received the Governor's recognition for participation.

The senior team members Jasmin Cruz and Giselle Sanchez were pictured in the 2006/2007 school calendar for the month of January.

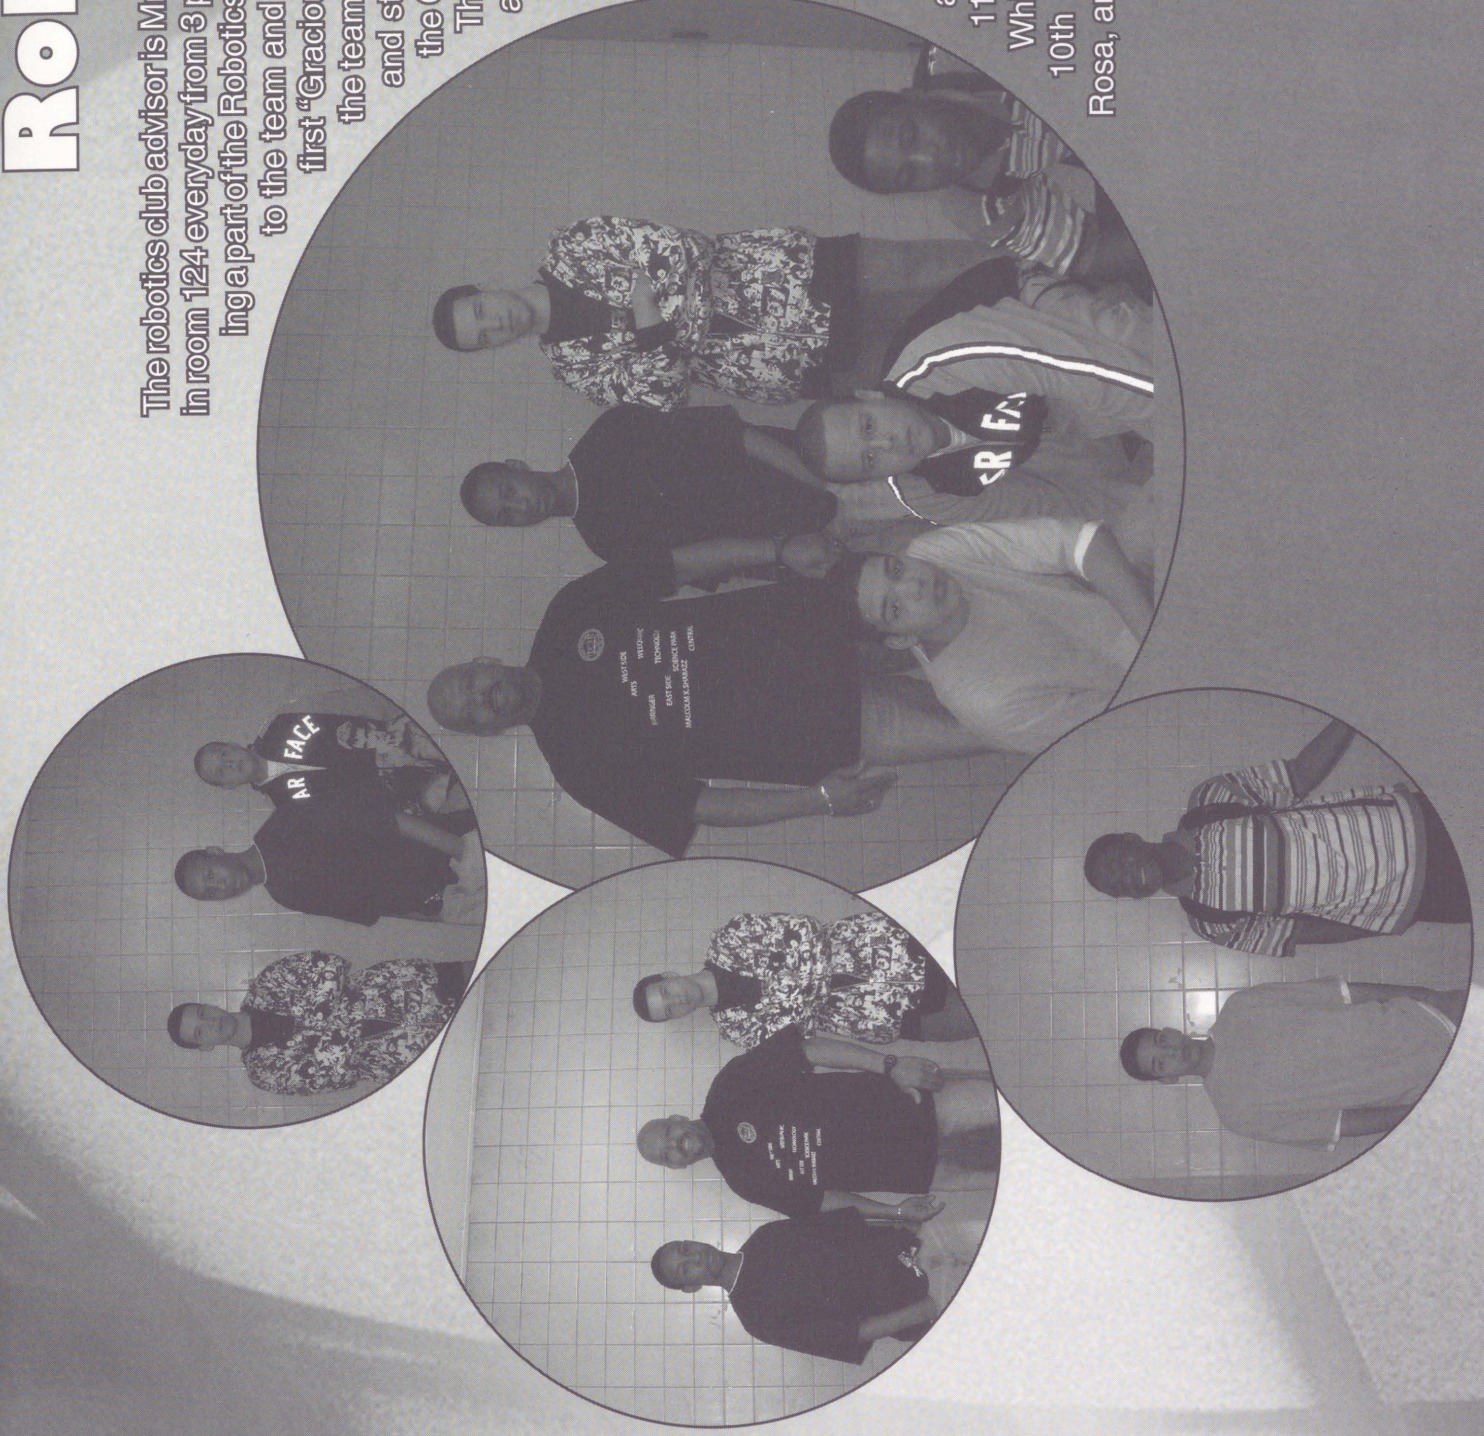

"To my graduation class of 07 who have worked so hard to get to graduation day congratulations and may all your dreams come true."

- Mr. Guarino

The Team: 12th graders, Jasmin Cruz and Giselle Sanchez

11th graders: Alvin Perez and Hakim White

10th graders: Pablo G. Echeverri, Jason Rosa, and Kevin Amede

Acropolis News

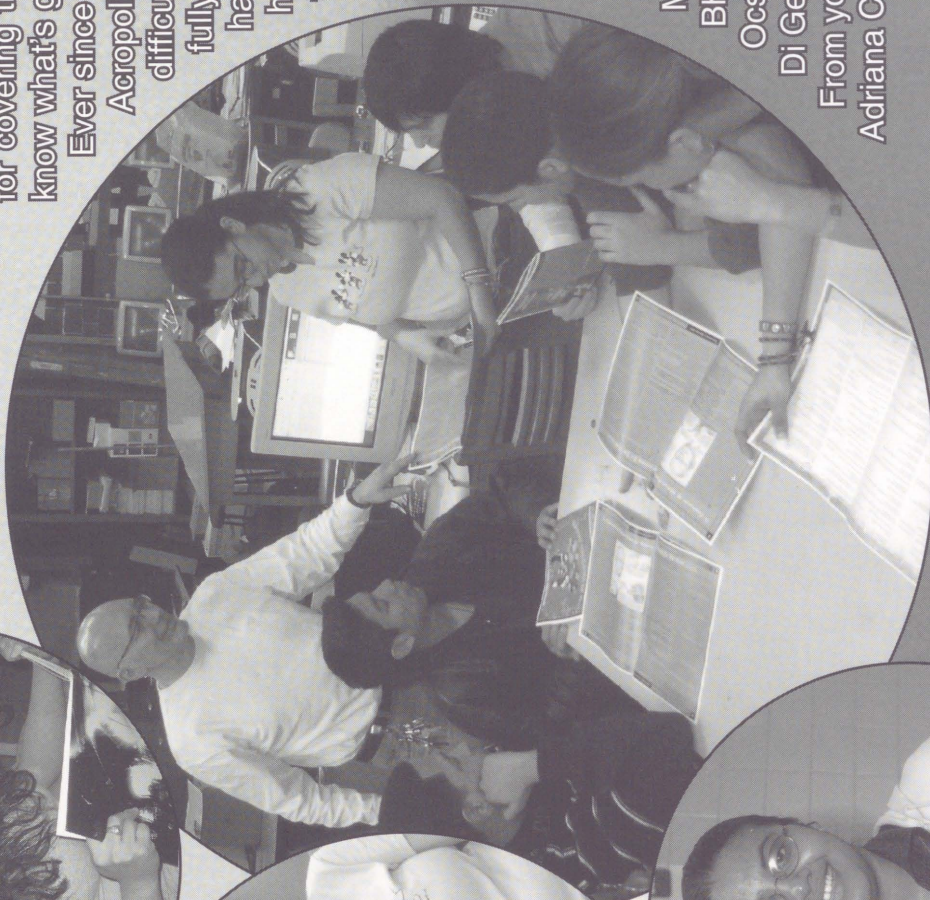

To all my hardworking reporters and photographers on the Acropolis News: I would like to thank you for covering the news in our school and letting us know what's going on in the world, and community.

Ever since I was appointed Editor in Chief of the Acropolis News I thought it was going to be difficult because of the title I inherited. Grate-

fully I was blessed with committed and hardworking students who were willing to help and support the news effort, and I thank you for that. We had our difficult times and we had our good times, but overall it was an amazing experience.

To sum it all up-I will miss all of you and I hope you will never forget the fire of the newspaper reporter. I wish you all the best of luck in the future. I would also like to thank the Yearbook Staff for supporting our fire. Thank you: Mala Bhola, Johanna Castillo, Omadevi Bhola, Miguel Rivera, Jose Soto, Franklin Ocsan, Adam Acevedo, and most of all Mr. Di Gerlando for his advice and guidance.

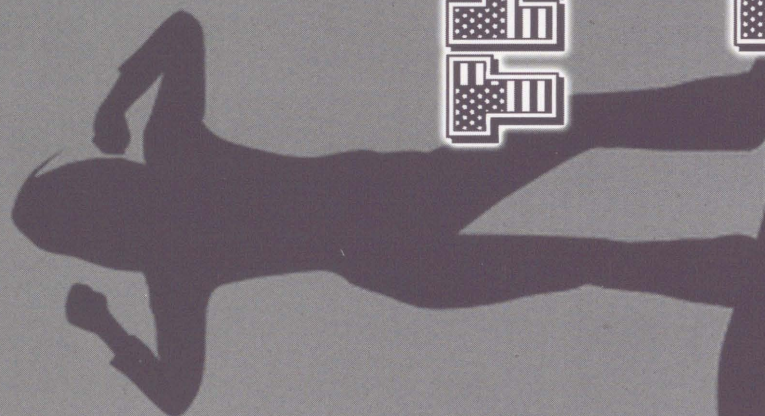

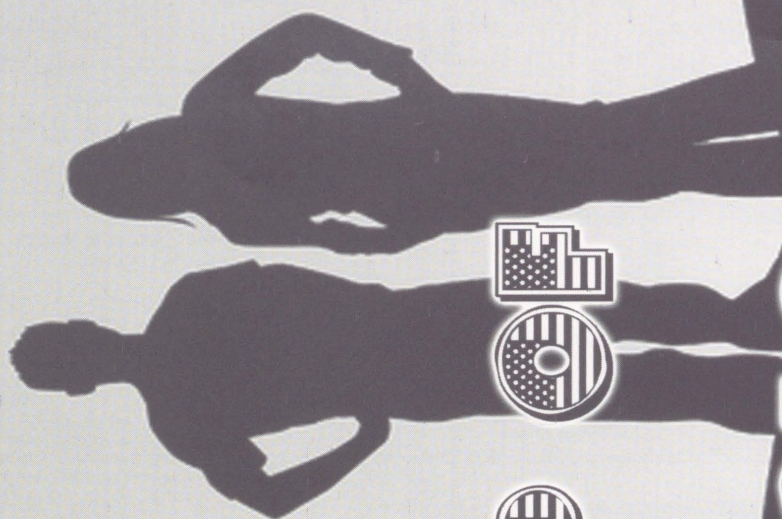

From your loving editor,
Adriana Carrasquillo

To my hero whom
without I wouldn't be
who I am today:

Through all the struggles and drama in
my life... you've been there.
Through my moments of weakness and
insecurities... you've been there.
Always when I need you... you're there.
You are the reason I am the strong
beautiful young women I am today...

I thank you

And no matter what I do or say, no matter
what happens in our life I want you
to know I will always love and cherish
you till the day I die for you are my
mother and I am the apple of your eye.

I will never disappoint you.

You are, and will always be my savior
and I love you with all my heart and soul
and I want you to never forget that

I love you mom

Your baby... Nana... (Stephanie Cruz)

In these four difficult years of high school, the
main people who have always been there to
support me; they have always encouraged me
to strive for the top and always exceed my limits,
they have always given me that extra push
to jump over the edge, they are my one and

only... my parents

Thank you and I love you.

Johanna Castillo

I want to thank you for every thing you
have done for me. You are the reason I
can fulfill all my dreams and aspirations
and without you I would not have been
able to graduate. Thanks for everything.

I love you mom

OUR TIME IN BARRINGER HAS JUST ABOUT EXPIRED AND IT IS NOW TIME FOR US TO GO FORWARD WITHOUT LOOKING BACK.

WE WILL NOW FACE EACH AND EVERY CHALLENGE HEAD ON WITHOUT FEAR OR DISMAY.

WE LEAVE THIS SCHOOL AS REMARKABLY OUTSTANDING STUDENTS, WITH THE REALISTIC MINDS THAT WILL HELP US VIEW AND TAKE ON ALL CHALLENGES THAT ARE BOUND TO COME OUR WAY.

AS WE DEPART FROM OUR BELOVED SCHOOL, EACH INDIVIDUAL LEAVES SOMETHING BEHIND, WHETHER VISIBLE OR INVISIBLE.

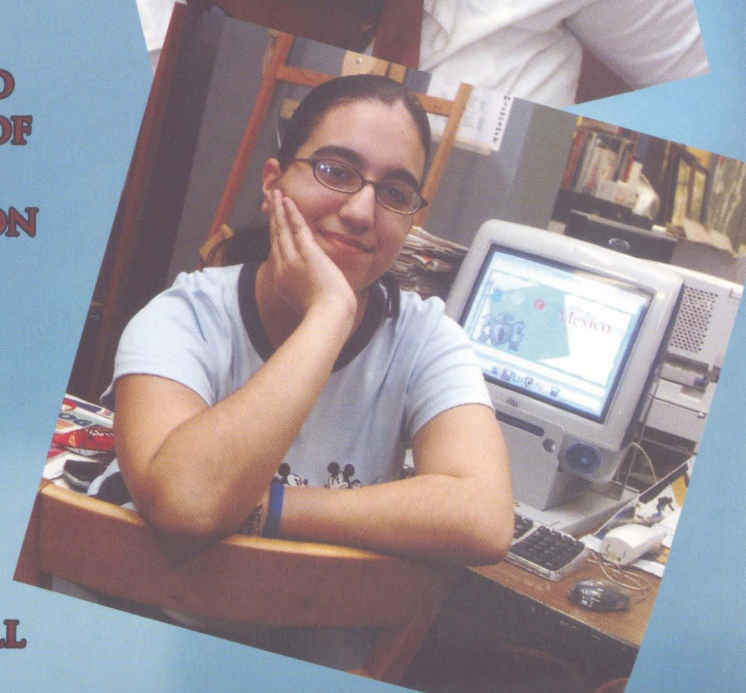

THE THOUGHTS THAT OUR TEACHERS HAVE OF US WILL NEVER BE FORGOTTEN.

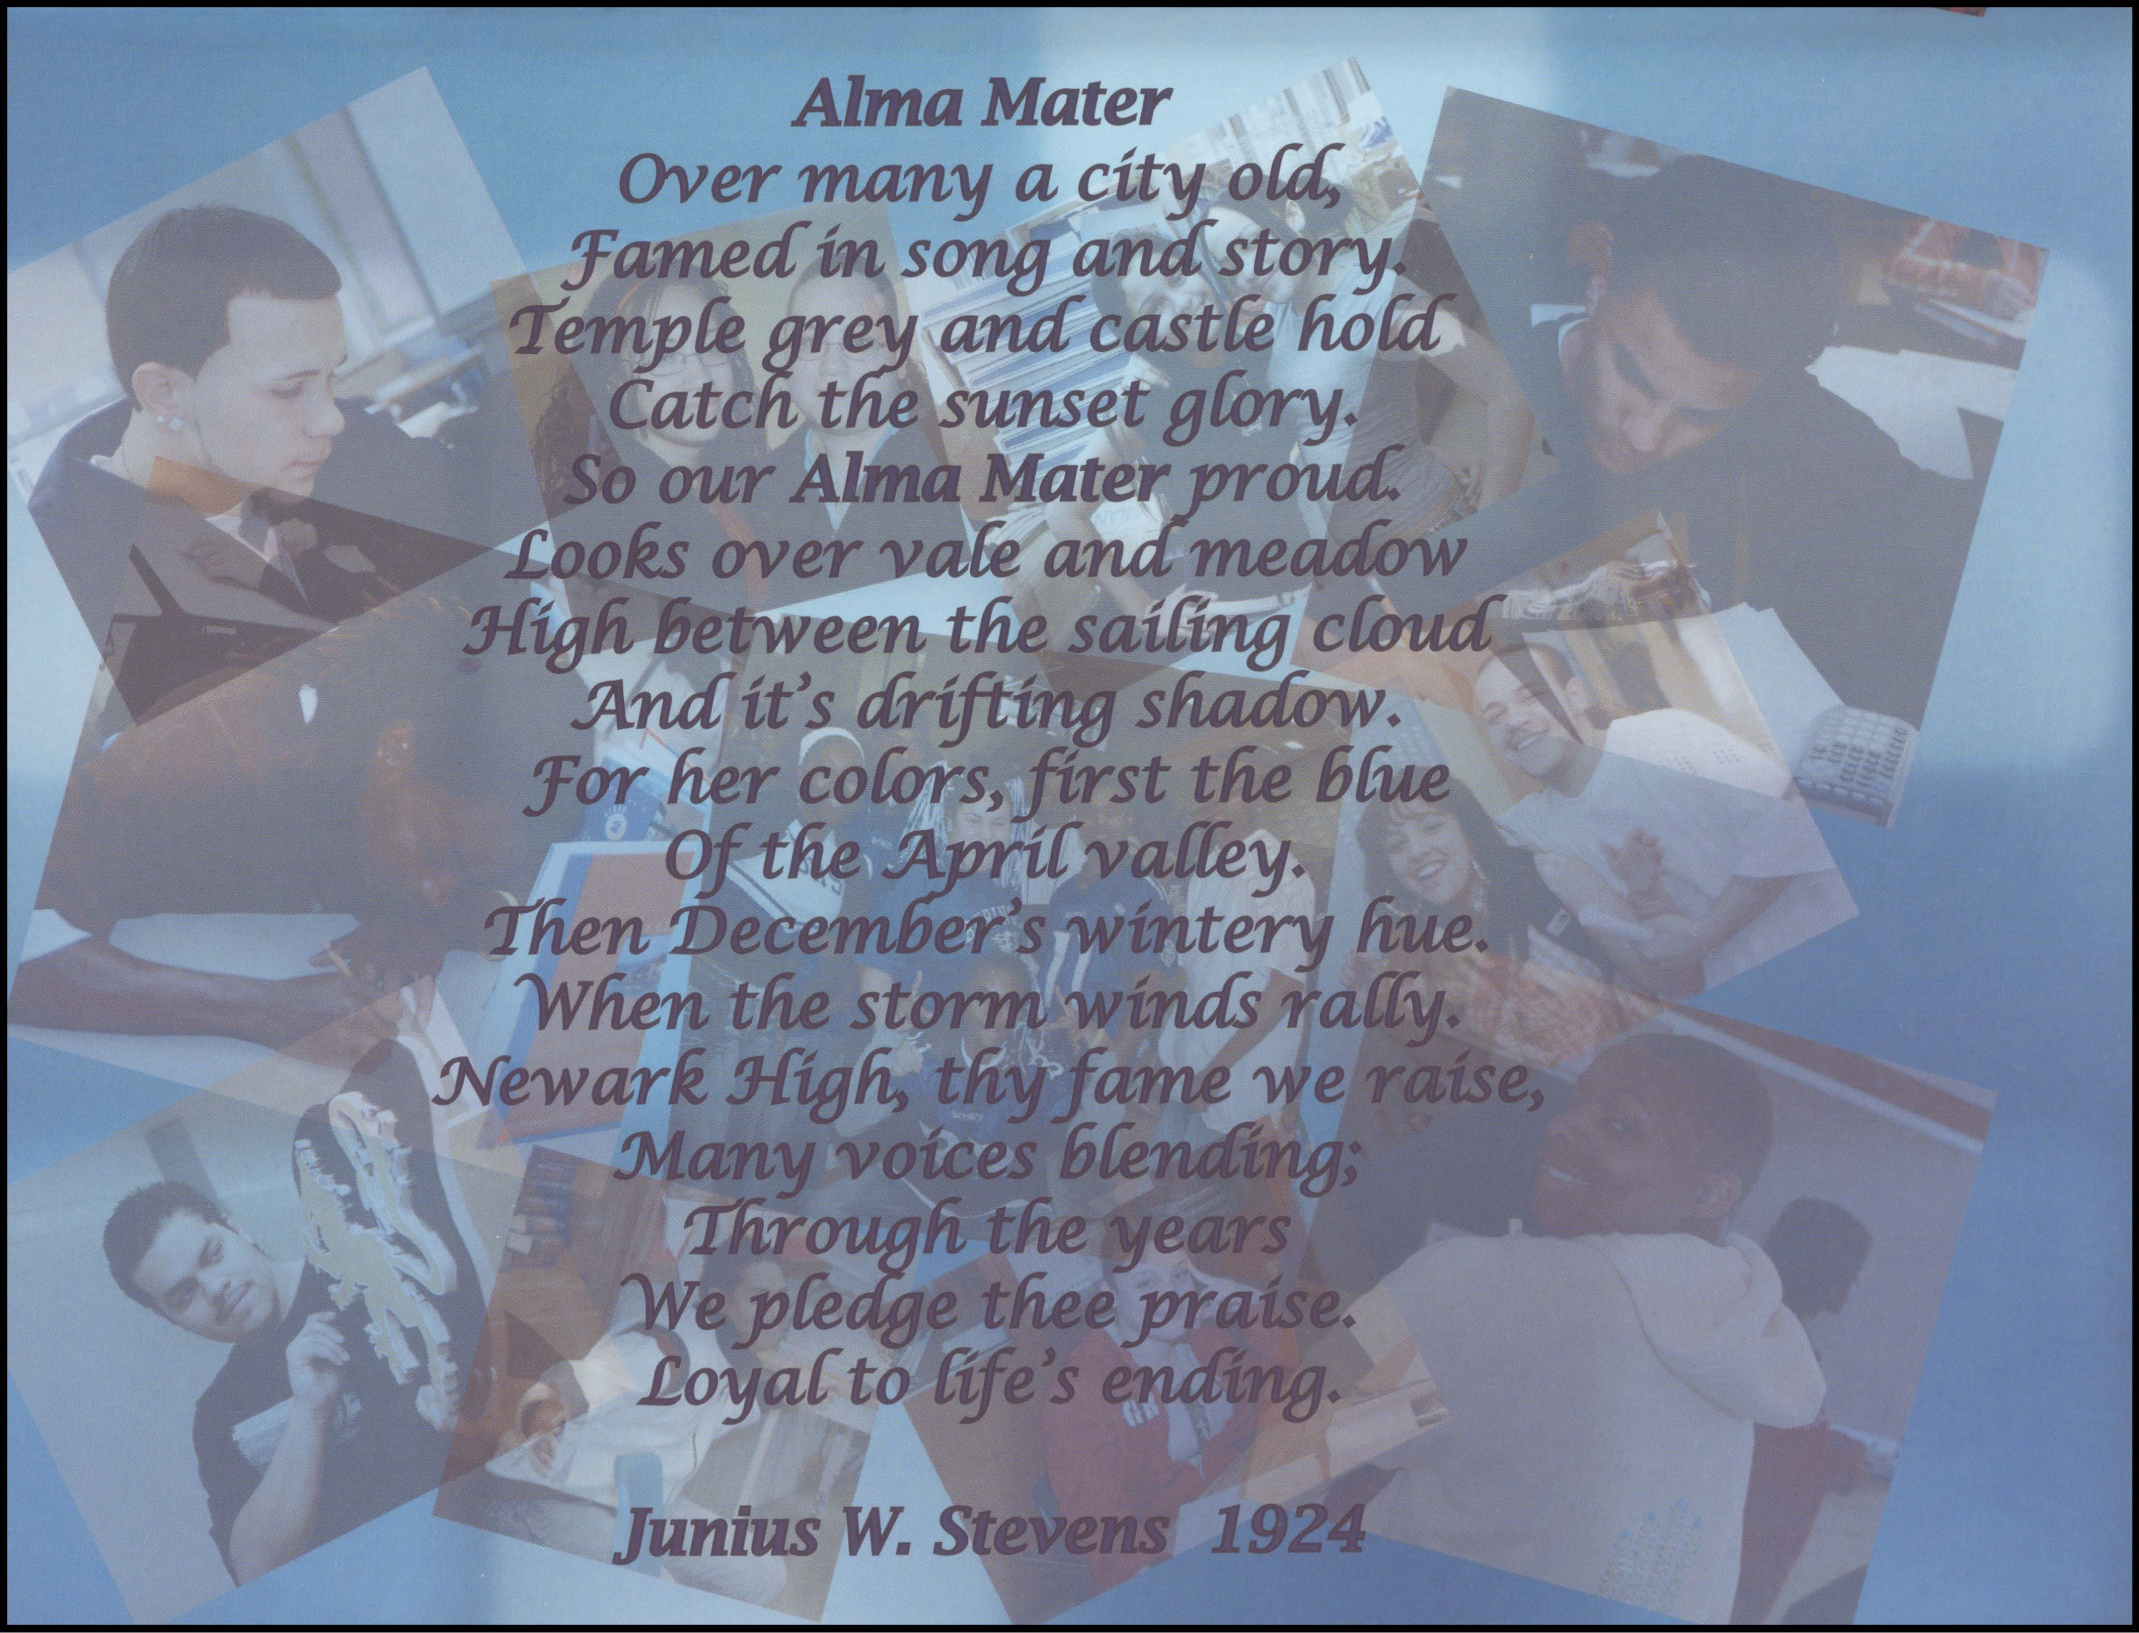

OUR WORK WILL REMAIN FOR ALL TO SEE AND TO INFLUENCE THE MINDS OF THOSE TO COME.

EACH STUDENT LEAVES AN IMPRESSION THAT SHALL BE RECOGNIZED AND ACKNOWLEDGED.

TEARS WILL BE SHED AND ENCOURAGING WORDS WILL BE EXCHANGED.

WITH OUR GENUINE HEARTS OVERFLOWING WITH PRIDE AND HAPPINESS WE WILL GO ON. WE WILL GO ON TO FACE AND FORFILL OUR WILDEST BLUE DREAMS!!

Alma Mater

*Over many a city old,
Famed in song and story.
Temple grey and castle hold
Catch the sunset glory.
So our Alma Mater proud
Looks over vale and meadow
High between the sailing cloud
And it's drifting shadow.
For her colors, first the blue
Of the April valley.
Then December's wintry hue.
When the storm winds rally.
Newark High, thy fame we raise,
Many voices blending;
Through the years
We pledge thee praise.
Loyal to life's ending.*
